/

EMERGENCY PROCUREMENT ORDER

I HEREBY adopt the findings of fact and conclusions of law of the Emergency Final Order, OGC# 26-2105, issued on October 8, 2026, in this Order and find that the Department of Environmental Protection's timely performance of disaster response functions related to Hurricane Isaias, as assigned by the State Coordinating Officer, are hindered by the application of procurement and travel procedures imposed by statute, rule, or order.

NOW THEREFORE, pursuant to the authority granted by Executive Order No. 26-202 and 26-211:

A. I hereby suspend, to the extent necessary to ensure said emergency response functions, the effect of any statute, rule, or order, including Chapter 255 and Sections 287.055(3)(a)-(d), 4(a)-(d), 5(a)-(c), and 287.057(3)(a)-(f), Florida Statutes, and Chapters 60A-1.002(4), 60A-1.021(2), and 60A-1.043(1)-(3), 60A-1.045(1)-(4), (6) and 60D-5, Florida Administrative Code, to the extent needed to procure any and all necessary supplies, commodities, services, temporary premises, and other resources to include, without limiting the generality of the foregoing, any and all statutes, rules, and orders which affect budgeting, leasing, printing, purchasing, travel, the conditions of employment, and the compensation of employees as set forth in an established Tracker item at the Florida Emergency Operations Center, as prescribed in the State Comprehensive Emergency Management Plan, as directed by the State Coordinating Officer, or as directed by the Executive Office of the Governor.

B. This Order shall take effect immediately upon execution and shall expire upon expiration or rescission of EO 26-202 and EO 26-211, as further modified or extended.
