

## Solid Waste Financial Assurance

The following companies contacted the Department and indicated willingness to work with owners and operators of solid waste facilities to meet the financial assurance requirements of DEP rules. This list is not an all-inclusive list as there are other companies in the market that offer similar services. By providing you with this list, the Department is neither endorsing any of these companies nor guaranteeing that any of these companies will be able to provide services to you individually. If your company is qualified to provide solid waste financial assurance and would like your company's name to appear on the list, please contact us.
