RE: Riviera Beach Energy Center
Modification to Conditions of Certification
DEP Case Number PA09-54D
OGC Case Number 18-0237

FINAL ORDER MODIFYING CONDITIONS OF CERTIFICATION

Dear Ms. Mier:

The Secretary of the Department of Environmental Protection, on behalf of the Governor and Cabinet (Siting Board), issued the Site Certification of the Florida Power and Light Company (FPL) Riviera Beach Energy Center (RBEC) on November 24, 2009. This certification authorized the conversion from two nominal 300-megawatt (MW) conventional dual-fuel fired generating units and support facilities to a nominal 1,250 MW 3-on-1 combined cycle unit, which consists of three combustion turbines, three heat recovery steam generators, and one steam turbine/electric generator. The Department of Environmental Protection (Department) has modified the Conditions of Certification (Conditions) by Final Order on three other occasions.

On January 12, 2018, the Department's Siting Coordination Office received an amendment request from FPL pursuant to Section 403.5113(1), Florida Statutes (F.S.), to construct an asphalt paved parking lot on the landscaped buffer north of 59th Street to accommodate visitors to the Manatee Lagoon Center. There will also be a 160-square foot steel connex container located on the northwest corner of the parking lot which will be used to store light duty maintenance equipment.

The Department received notification on January 26, 2018, from the City of West Palm Beach that the request would require a change to its Conditions. In accordance with

403.5113(1)(c), F.S., the Department notified FPL on January 30, 2018 that a modification to RBEC's Conditions would be required.

On March 1, 2018, pursuant to Section 403.516(1)(c), F.S., FPL filed a petition with the Department to modify RBEC's Site Certification. The Department provided notice of FPL's petition to all parties to the certification proceeding on June 13, 2018. On June 22, 2018, notice of the Department's intent to modify was published in the Florida Administrative Register (FAR).

Pursuant to Section 403.516, F.S., and Rule 62-17.211, Florida Administrative Code (F.A.C.), all parties to the certification proceeding have 45 days from the issuance of notice in which to file a written objection to the modification. Pursuant to Section 403.516, F.S., and Rule 62-17.211, F.A.C., any person who is not already a party to the certification proceeding and whose substantial interests will be affected by the requested modification has 30 days from the date of publication of the public notice in the FAR to object in writing. Failure to act within the time frame constitutes a waiver of the right to become a party.

These timeframes have expired and no objections to the modification have been received by the Department. Therefore, the Conditions for RBEC are modified as described in the Department's Notice of Intent to Modify the Conditions of Certification dated June 13, 2018, which can be downloaded from the following file transfer protocol (ftp) site: http://publicfiles.dep.state.fl.us/Siting/Outgoing/FPL%20Riviera/Modifications/Mod_D_Manatee_Lagoon_Parking_Lot/2018_05_03_Proposed_Existing_Conditions_Mod_D/

The final version of the modified Conditions (including attachments) can be viewed and downloaded from the following ftp site: http://publicfiles.dep.state.fl.us/Siting/Outgoing/FPL%20Riviera/Modifications/Mod_D_Manatee_Lagoon_Parking_Lot/2018_07_26_Mod_D_Final_Conditions/

Copies of the Conditions and/or attachments may also be obtained by contacting the Department of Environmental Protection, Siting Coordination Office, 2600 Blair Stone Rd, Tallahassee, Florida 32399-3000, (850) 717-9000.

Any party to this Order has a right to seek judicial review of it pursuant to Section 120.68, F.S., by filing a Notice of Appeal, pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department of Environmental Protection in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000, and by filing a copy of the Notice of Appeal, accompanied by the applicable filing fees, with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this Order is filed with the Clerk of the Department of Environmental Protection.

Sincerely,

Cindy Mulkey
Administrator
