DEPARTMENT OF ENVIRONMENTAL PROTECTION
Florida Coastal Management Program Notice of Approval of
Program Change Request

On Dec. 17, 2025, the State received concurrence from NOAA's Office for Coastal Management that the proposed changes to the approved Florida Coastal Management Program (FCMP), with certain exceptions as noted in the Program Change 2024 approval letter located at <https://floridadep.gov/rcp/fcmp/content/fcmp-program-changes>, constitute changes to the federally-approved FCMP as defined by 15 Code of Federal Regulations (C.F.R.) 923.84, implementing Federal Coastal Zone Management Act (16 U.S.C. subsection. 1451 et seq.). The proposed changes were noticed in the Florida Administrative Register on April 9, 2025. These incorporated changes do not result in any substantial change to the enforceable policies or authorities of the FCMP related to uses subject to management, special management areas, boundaries, authorities and organization or coordination, public involvement and national interest.

As of the date of this notice, these changes are incorporated into the FCMP and federal consistency applies to these statutory and rule changes. This notice has been sent to affected parties, including local governments, state agencies, and regional offices of relevant federal agencies as required by 15 C.F.R. 923.84(b)(4).

For more information on this FCMP Program Change and the list of persons and organizations notified, please contact: Ms. Anne Lunie Rodney, Florida Department of Environmental Protection, Office of Resilience and Coastal Protection, 2600 Blair Stone Road, M.S. 235, Tallahassee, FL 32399-3000, (850)245-7559.

NOTICE OF AVAILABILITY

FLORIDA FINDING OF NO SIGNIFICANT IMPACT
(FFONSI)

Riviera Beach (DW5020J)

The Florida Department of Environmental Protection (DEP) has determined that the Riviera Beach project to construct new supply wells, water plant, ground storage reservoir, and a deep injection well is not expected to generate controversy over potential environmental effects. The cost is estimated to be \$245,000,000. The project may qualify for a Drinking Water State Revolving Fund (SRF) loan composed of federal and state funds. DEP will consider public comments about the environmental impacts of the proposed project that are postmarked or delivered at the address below within 30 days of this notice. A full copy of the FFONSI can be obtained by writing to Paul Brandl, SRF Program, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000, calling (850)245-2986 or emailing paul.brandl@floridadep.gov.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

NOTICE OF AVAILABILITY

FLORIDA FINDING OF NO SIGNIFICANT IMPACT

Groveland, FL

WW35066

The Florida Department of Environmental Protection (DEP) has determined that the City of Groveland's project involving the construction of a new Water Reclamation Facility is not expected to have a significant adverse environmental impact. The total estimated construction cost is \$73,492,500. The project may qualify for a Clean Water State Revolving Fund (CWSRF) loan composed of federal or state funds. DEP will consider public comments about the environmental impacts of the proposed project that are postmarked or delivered at the address below within 30 days of this notice. A full copy of the Florida Finding of No Significant Impact can be obtained by writing to: Matthew Lopez-Calleja, CWSRF Program, Department of Environmental Protection, 3900 Commonwealth Boulevard, MS#3505, Tallahassee, Florida 32399-3000 or calling (850)245-2199 or emailing to Matthew.LopezCalleja@FloridaDEP.gov.
