SECOND AMENDED EMERGENCY PROCUREMENT ORDER

I HEREBY adopt the findings of fact and conclusions of law of the Second Amended Emergency Final Order, OGC# 22-2602 issued on November 18, 2022, in this Order and find that the Department of Environmental Protection's timely performance of disaster response functions related to Hurricane Ian as assigned by the State Coordinating Officer are hindered by the application of procurement and travel procedures imposed by statute, rule, or order.
