

NOTICE OF INTENT TO USE AN ENVIRONMENTAL RESOURCE GENERAL PERMIT

Instructions: This form is for projects that qualify for a General Permit in accordance with Chapter 62-330 F.A.C. General Permits (GP) are provided for certain activities that have been determined to have minimal impacts to the water resources of the state when conducted in compliance with the terms and conditions of the general permit. Complete and submit this form to appropriate agency as identified in Part 3 below.

If activity is located on, or has the potential to be located on state-owned sovereignty submerged lands (SSL), the reviewing Agency will begin processing the request for state-owned sovereign submerged lands approval. If you know that your project is located on SSL, complete Section F of the Environmental Resource Permit Application.

I hereby certify I have read and will conduct the above activities in accordance with the criteria, limitations, and specific conditions of the general permit identified in Part 1 Section A, and in accordance with the general conditions of Rule 62-330.405, F.A.C. Unless otherwise provided in Chapter 62-330, F.A.C., activities conducted pursuant to the above general permit may commence thirty (30) days after providing written notice to the Department of Environmental Protection or the Water Management District, along with any required additional documentation which may be required to fulfill the requirements of the general permit, unless the Agency responds that the proposed work does not qualify for a general permit.

I understand I may have to provide any additional information/data that may be necessary to provide reasonable assurance or evidence that the proposed project will comply with the applicable state water quality standards or other environmental standards both before construction and after the process is completed.

I further acknowledge that work done under this general permit may also require the review and approval of other federal, state, or local agencies, and that commencement of construction before such federal, state, or local agency approvals or permits are obtained may subject me to enforcement action and fines

or penalties by such agencies. Further, the work shall be conducted in a manner that does not violate applicable water quality standards.

In addition, I agree, upon being provided with reasonable notice, to provide entry to the project site for Agency staff with proper identification for the purpose of inspecting the site. Further, I agree to provide entry to the project site for such staff to monitor permitted work.

PART 3: SUBMITTAL

In addition to the information described in this form, any Notice of Intent to use a General Permit must also include the following, as described in Section 4.2.2 of the Applicant's Handbook, Volume I:

- Location map(s) of sufficient detail to allow someone who is unfamiliar with the site to travel to and locate the specific site of the activity.
- One set of plans and drawings, calculations, environmental information, and other supporting documents that clearly and legibly depict and describe the proposed activities in sufficient detail to demonstrate that the work qualifies for the specified General Permit.
- The required fee, made payable to the appropriate agency.

Fees for the appropriate agency are established in the rules adopted in subsection 62-330.071(1), F.A.C., as listed below:

- Rule 62-4.050, F.A.C. (Department of Environmental Protection or the Northwest Florida Water Management District)
- Rule 40B-1.706, F.A.C. (Suwannee River Water Management District)
- Rule 40C-1.603, F.A.C. (St. Johns River Water Management District)
- Rule 40D-1.607, F.A.C. (Southwest Florida Water Management District)
- Rule 40E-1.607, F.A.C. (South Florida Water Management District)

Operating Agreements between the Department and the water management districts specify which agency will process any given application. For copies of the operating agreements, go to <http://www.dep.state.fl.us/water/wetlands/erp/wmd.htm>.

Several agencies now allow this application form to be submitted electronically on the Internet; in those cases, follow the on-line submittal requirements of that agency:
