NOTICE OF INTENT TO MINE LIMESTONE

INSTRUCTIONS: Complete the following and submit three (3) copies to the Bureau of Mining and Minerals Regulation at the above address.

I, the undersigned authorized agent for the operator,

\_\_\_\_\_

hereby notify the Secretary of the Department of Environmental Protection that said operator intends

to begin limestone mining operations at the

\_\_\_\_\_ Mine.

In support of this notification, I offer the attached general information and conceptual plan for mining and reclamation.

This notice shall also be my acknowledgement of the reclamation performance standards in section 378.503, Florida Statutes, as set forth in chapter 62C-36, Florida Administrative Code.
