Funds disbursed pursuant to this Section shall be used to complete construction and operation of the Mitigation Bank in accordance with the Mitigation Bank Permit and Mitigation Banking Instrument, or to otherwise obtain alternative compensatory mitigation sufficient to offset the credits sold prior to permit revocation, as determined by the Agency and the Corps. However, the Grantor may, within the notice period in Section 20(b), request the Trustee maintain all or part of the monies in the Fund until released by the remaining beneficiary to satisfy its requirements under the Mitigation Bank Permit or Mitigation Banking Instrument, as applicable. Upon refund, such funds shall no longer constitute part of the Fund as defined herein.

The Trustee shall invest and reinvest the principal and income of the Fund in one or more investment obligations and keep the Fund invested as a single fund, without distinction between principal and income, in accordance with general investment policies and guidelines, which the Grantor may communicate in writing to the Trustee from time to time, subject, however, to the provisions of this Section. In investing, reinvesting, exchanging, selling, and managing the Fund, the Trustee shall discharge its duties with respect to the trust fund solely in the interest of the Agency and with the care, skill, prudence, and diligence under the circumstances then prevailing which persons of prudence, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims; except that:

(insert link), shall not be acquired or held, unless they are securities or other obligations of the Federal or a state government;

- (b) The Trustee is authorized to invest the Fund in time or demand deposits of the Trustee, to the extent insured by an agency of the Federal or a state government; and
- (c) The Trustee is authorized to hold cash awaiting investment or distribution uninvested for a reasonable time and without liability for the payment of interest thereon.

Section 10. Commingling and Investment. The Trustee is expressly authorized in its discretion:

- (a) To transfer from time to time any or all of the assets of the Fund to any common, commingled, or collective trust fund created by the Trustee in which the Fund is eligible to participate, subject to all of the provisions thereof, to be commingled with the assets of other trusts participating therein; and
- (b) To purchase shares in any investment company registered under the Investment Company Act of 1940, as amended, 15 U.S.C. 80a-1 et seq. (July 18, 2025), which is incorporated by reference in Rule 62-342.700, F.A.C. (insert link), including one which may be created, managed, underwritten, or to which investment advice is rendered or the shares of which are sold by the Trustee. The Trustee may vote such shares in its discretion.

Section 11. Express Power of Trustee. Without in any way limiting the powers and discretion conferred upon the Trustee by the other provisions of this Agreement or by law, the Trustee is expressly authorized and empowered:

- (a) To sell, exchange, convey, transfer, or otherwise dispose of any property held by it, by public or private sale. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity or expediency of any such sale or other disposition;
- (b) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;
- (c) To register any securities held in the Fund in its own name or in the name of a nominee and to hold any security in bearer form or in book entry, or to combine certificates representing such securities with certificates of the same issue held by the Trustee in other fiduciary capacities, or to deposit or arrange for the deposit of such securities in a qualified central depository even though, when so deposited, such securities may be merged and held in bulk in the name of the nominee of such depository with other securities deposited therein by another person, or to deposit or arrange for the deposit of any securities issued by the United States Government, or any agency or instrumentality thereof, with a Federal Reserve bank, but the books and records of the Trustee shall at all times show that all such securities are part of the Fund;
- (d) To deposit any cash in the Fund in interest-bearing accounts maintained or savings certificates issued by the Trustee, in its separate corporate capacity, or in any other banking institution affiliated with the Trustee, to the extent insured by an agency of the Federal or a State government; and

(e) To compromise or otherwise adjust all claims in favor of or against the Fund.

Section 12. Taxes and Expenses. All taxes of any kind that may be assessed or levied against or in respect of the Fund and all brokerage commissions incurred by the Fund shall be paid from the Fund. All other expenses incurred by the Trustee in connection with the administration of this Trust, including fees for legal services rendered to the Trustee, the compensation of the Trustee to the extent not paid directly by the Grantor, and all other proper charges and disbursements of the Trustee shall be paid from the Fund.

Section 13. Annual Valuation. The Trustee shall annually, at least 30 days prior to the anniversary date of establishment of the Fund, furnish to the Grantor, the Agency (to the attention of the Environmental Resource Permitting Program for the \_\_\_\_\_ (name) Mitigation Bank, Permit No. \_\_\_\_\_), and to the Corps (701 San Marco Blvd., Jacksonville, FL 32207, to the attention of Regulatory Division for the \_\_\_\_\_ (name) Mitigation Bank, Mitigation Banking Instrument # \_\_\_\_\_), a statement confirming the value of the Trust. Any securities in the Fund shall be valued at market value as of no more than 60 days prior to the anniversary date of establishment of the fund. The failure of the Grantor, the Agency, or the Corps to object in writing to the Trustee within 90 days after the statement has been furnished to the Grantor, the Agency, and the Corps shall constitute a conclusively binding assent by the Grantor, barring the Grantor from asserting any claim or liability against the Trustee with respect to matters disclosed in the statement.

Section 14. Advice of Counsel. The Trustee may from time to time consult with counsel, who may be counsel to the Grantor, with respect to any question arising as to the construction of this Agreement or any action to be taken hereunder. The Trustee shall be fully protected, to the extent permitted by law, in acting upon the advice of counsel.

Section 15. Trustee Compensation. Grantor shall pay the Trustee any necessary fees for services rendered. Where the Grantor is no longer in existence, the Trustee is authorized to charge against the Trust its published Trust fee schedule in effect at the time services are rendered. However, all Trustee compensation charged against the Trust shall be paid from trust income, unless the Agency authorizes in writing payment from the trust principal.

Section 16. Successor Trustee. The Trustee may resign or the Grantor may replace the Trustee, but such resignation or replacement shall not be effective until the Grantor has appointed a successor Trustee, the successor is approved by the Agency and the Corps, and this successor accepts the appointment. The successor Trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the successor Trustee's acceptance of the appointment, the Trustee shall assign, transfer, and pay over to the successor Trustee the funds and properties then constituting the Fund. If for any reason the Grantor cannot or does not act in the event of the resignation of the Trustee, the Agency, with concurrence from the Corps, may nominate a successor. If the Agency does not act, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor Trustee or for instructions. The successor Trustee shall specify the date on which it assumes administration of the trust in a writing sent to the Grantor, the Agency, the Corps, and the present Trustee by certified mail 10 days before such change becomes effective. Any expenses incurred by the Trustee as a result of any of the acts contemplated by this Section shall be paid as provided in Section 15.

Section 17. Instructions to the Trustee. All orders, requests, and instructions by the Grantor to the Trustee shall be in writing, signed by \_\_\_\_\_ or such other designees as the Grantor may designate by amendment to this agreement. The Trustee shall be fully protected in acting without inquiry in accordance with the Grantor's orders, requests, and instructions. All joint orders, requests, and instructions by the Agency and the Corps to the Trustee shall be in writing, signed by the Agency, the Corps, and the Trustee shall act and shall be fully protected in acting in accordance with such orders, requests, and instructions. The Trustee shall have the right to assume, in the absence of written notice to the contrary, that no event constituting a change or a termination of the authority of any person to act on behalf of the Grantor, the Agency, or the Corps hereunder has occurred. The Trustee shall have no duty to act in the absence of such orders, requests, and instructions from the Grantor and the Agency and the Corps, except as provided for herein.

Section 18. Amendment of Agreement. This Agreement may be amended by an instrument in writing executed by the Grantor, the Trustee, and the Agency, with written consent from the Corps; or by the Trustee and the Agency, with written consent from the Corps, if the Grantor dies, is legally incapacitated, is administratively or judicially dissolved or otherwise ceases to exist.

Section 19. Irrevocability and Termination. Subject to the right of the parties to amend this Agreement as provided in Section 18 and the Notice requirements of Section 20, this Trust shall be irrevocable and shall continue until terminated at the written agreement of the Grantor, the Trustee, the Agency, and the Corps; or by the Trustee, the Agency, and the Corps, if the Grantor dies, is legally incapacitated, is administratively or judicially dissolved or otherwise ceases to exist. Upon termination of the Trust, all remaining trust property, less final trust administration expenses, shall be delivered pursuant to the written agreement terminating the trust or, where Grantor has ceased to exist, then to the Agency. The Trust may be terminated only after a determination by the Agency, with notice to the Corps, or by the Corps, with Notice to the Agency, that the financial assurance is no longer required pursuant to the Mitigation Bank Permit or Mitigation Banking Instrument. However, the Grantor may, within the notice period in Section 20(a), request the Trust be continued for the benefit of and until terminated by the remaining beneficiary to satisfy the requirements of the Mitigation Bank Permit or Mitigation Banking Instrument, as applicable. If the Grantor does not request the Trust to be continued, the Grantor must propose new financial assurances, in accordance with the requirements of the Mitigation Bank Permit or Mitigation Banking Instrument, as applicable.

Section 20. Notice Requirements. In addition to all other requirements imposed on the Grantor and Trustee herein, the Grantor and the Trustee shall provide the following notices to the Agency and Corps:

- (a) The Grantor and Trustee shall provide notice to the Agency and the Corps at least 120 days in advance of any termination or revocation of this Standby Trust Agreement;
- (b) The Trustee shall provide notice to the Agency and the Corps at least 120 days in advance of making any disbursements from the Fund made in accordance with Section 8, above;
- (c) The Grantor and Trustee shall provide notice to the Agency and the Corps at least 120 days in advance of any change in the amount of the Fund made in accordance with Section 6, above.

Section 21. Immunity and Indemnification. The Trustee shall not incur personal liability of any nature in connection with any act or omission made in good faith in the administration of this Trust, or in carrying out any directions by the Grantor, the Agency, or the Corps issued in accordance with this Agreement. The Trustee shall be indemnified and saved harmless by the Grantor or from the Trust Fund, or both, from and against any personal liability to which the Trustee may be subjected by reason of any act or conduct in its official capacity, including all expenses reasonably incurred in its defense in the event the Grantor fails to provide such defense.

Section 22. Choice of Law. This Agreement shall be administered, construed, and enforced according to the laws of the United States of America and the State of Florida.

Section 23. Interpretation. As used in this Agreement, words in the singular include the plural and words in the plural include the singular. The descriptive headings for each Section of this Agreement shall not affect the interpretation or the legal efficacy of this Agreement.
