¹ Counties with no remaining acreage to acquire in a project not listed here – see project summaries for counties in which acquisitions completed.

² Total of ranking votes, except higher ranked of tied projects has decimal amount subtracted from total.

³ Cumulative acres used to calculate in which Priority Group of the Acquisition Work Plan each project will qualify.

⁴ **Work Plan Priority Groups pursuant to Rule 18-24.006(6):**

High/Med = Portion of project in High Priority Group & portion in Medium Priority Group

Med/Low = Portion of project in Medium Priority Group & portion in Low Priority Group

High Priority Group = top 1/3 acreage within each Category

Medium Priority Group = middle 1/3 acreage within each Category

Low Priority Group = bottom 1/3 acreage within each Category
