ABANDONED TANK RESTORATION PROGRAM CERTIFICATION

The Florida Legislature established the Abandoned Tank Restoration Program (ATRP) in Section 376.305, Florida Statutes (F.S.). In order to be eligible for the ATRP, a facility owner must sign this certification certifying that the facility is in compliance with Chapter 376, F.S., and that he or she has read and is familiar with these rules and statutes.

| County of I, | | |
|--|---|-------|
| (name of owner) The abandoned petroleum storage system(s), as defined in Section 376.305(6), F.S., located at the facility listed on the attached application complies with the following: (a) A Discharge Reporting Form has been submitted to the Department's District Office or the Department's contracted local program in the facility is located notifying the Department of a discharge of a petroleum product from or in connection with the operation of a petroleum storage system(s); (b) the owner or operator of the petroleum storage system(s) when they were in service ceased conducting business involving the consuluse, or sale of petroleum products at that facility on or before March 1, 1990, and the applicant has provided tangible evidence that documents the site ceased conducting business involving consumption, use, or sale of petroleum products at the facility on or before 1, 1990; (c) the petroleum storage system(s) have been properly closed and comply with the Department's petroleum storage system closure requirements or, the owner of the petroleum storage system(s) will submit financial documents to the Department that show the facility owner is financially unable to comply with the petroleum storage system closure requirements (if applicable). I UNDERSTAND THAT I MAY NOT RECEIVE ANY REMUNERATION (i.e., anything of value), IN CASH OR IN KIND, DIRECTLY OR INDIRECTLY, FROM A PETROLEUM SITE REHABILITATION CONTRACTOR (AGENCY TERM) | | |
