

Hosted at Mote Science Education Aquarium (SEA), 225 University Town Center Drive, Sarasota, FL 34243

Wednesday, Dec. 3, 2025, 8:00 a.m. – 5:00 p.m.

Science Stories from Your Community

This event is FREE and open to the public; however, pre-registration is required.

Learn about the science and management happening in your communities through compelling, story-driven narratives designed to help you connect with the environmental conditions in your backyard.

Agenda

- Registration
- Meet the Scientists – Poster Session and Networking
- Introduction
- Keynote Speaker – Rob Modys, Master Captain, host of the *Catch You Outdoors* podcast, and former host of ESPN's *Reel Talk Radio*
- Showcase of Science Stories – The Intersections of Coastal Communities
- Lunch break
- Showcase of Science Stories – The Intersections of Coastal Communities (continued).
- Closing Remarks

Enhancing SEACAR's Impact: A Comprehensive Stakeholder Engagement and Science Communication Initiative for Coastal and Resilience in Florida is funded in part by a grant from the NOAA Coastal Zone Management Program, under the Coastal Zone Management Act of 1972, as amended.

Thursday, Dec. 4, 2025, 9 a.m. – 5 p.m. EST | *Times may vary by excursion*
