Application for New Florida Forever Project

[Florida Forever](#)¹ is a willing seller land acquisition program. Getting a project added to the *Florida Forever Priority List* is the first step toward of acquisition. Each project on the *Florida Forever Priority List* is determined by the Acquisition and Restoration Council (ARC) to be suitable as a conservation property, meets Florida Forever criteria, and has a willing owner/seller at the time it is added to the list. The Board of Trustees (BOT) must approve a project placed on the *Florida Forever Priority List* before it can be pursued for acquisition. Proposed projects are prioritized and ranked in categories by ARC members in December and the BOT approves the ARC-recommended *Florida Forever Priority List* in May, when a project is officially added to the list.

To propose a new project for the *Florida Forever Priority List*, submit this application, along with the supporting documentation specified in Attachments A-C below. Complete applications for new Florida Forever projects are accepted two times per year, April 30 and October 31. This application, along with the supporting documentation specified in Attachments A-C, must be submitted in electronic format on a CD or USB drive, and printed copies as specified in Attachments A-C. Maps should be in color and printed on paper no larger than 11" x 17". Florida Forever Goals, Performance Measures and Criteria can be accessed on our [website](#). Applicants may also consult the Florida Natural Areas Inventory (FNAI) [Conservation Lands](#) map to ensure the proposed parcel(s) are not already within an approved project boundary.
