

Marcia Gaedcke is president of the Titusville Area Chamber of Commerce and a lifetime resident of Titusville and Brevard County. She is a passionate leader and a serial volunteer, concerned about the future of our community and economy, and is willing to roll up her sleeves and work for the betterment of Brevard.

Eddy Galindo, AICP is the Senior Planner for the City of Titusville. Eddy has been with the City for 6 years and previously served as the City's Sustainability Planner focusing on trails, low impact development, resiliency, and water quality issues in the Indian River Lagoon. He helped lead Titusville's efforts in becoming a Florida Trail Town and a Florida Green Local Government. Eddy received his Master's in Planning from Florida State University.

Sarah Kraum is the Senior Transportation Planner for the Space Coast Transportation Planning Organization. Her work focuses on bicycle, pedestrian, trails, and transit planning and coordination. Sarah also focuses on resiliency and sea level rise planning. She has her B.S. from Florida Gulf Coast University in Legal Studies. Prior to her time at the SCTPO she worked in conservation and environmental education.
