PERMIT FEE WORKSHEET

INSTRUCTIONS: Each application for a new permit or for a change in permit status pursuant to Section 161.053, Florida Statutes (F.S.), or applications pursuant to Rule 62B-33.013, Florida Administrative Code (F.A.C.), to be considered by the Department (DEP) shall be accompanied by a fee. An application will not be considered complete until the required fee has been received by DEP. The total amount due is the sum of the fees assessed for each structure or activity. Please utilize this worksheet to calculate the fee required pursuant to Rule 62B-33.0085, F.A.C. **A 10 percent discount to the fees shall be applied to applications submitted electronically pursuant to Rule 62B-33.0086, F.A.C.** Copies of Chapter 161, F.S., and Chapter 62B-33, F.A.C., as well as assistance from DEP staff are available by calling (850) 245-8570.

	FACTOR		FEE \$	TOTAL \$
MAJOR STRUCTURES				
1. Single Family Dwelling with a roof footprint less than or equal to 2400 ft. ² Total Roof Footprint = _____ ft. ²		X	2,000	
	No. of Structures			
2. Single Family Dwelling with a roof footprint greater than 2400 ft. ²		X	4,000	
	No. of Structures			
3. Non-Habitable Major Structure (e.g., roads, bridges, storm water outfalls, cabanas, garages, swimming pools)		X	1,000	
	No. of Structures			
4. Multi-Family Dwelling (e.g., hotels, apartment buildings) PLUS \$100 for each dwelling unit in the structure:		X	5,000	
	No. of Structures			
		X	100	
	No. of Units			
5. Other Major Habitable Structures (e.g., commercial or public buildings, restaurants, towers)		X	3,000	
	No. of Structures

	e) Other major habitable structures (e.g., commercial or public buildings, and restaurants): \$1,500.		X	1,500	
		No. of Structures			
	f) Additions to existing habitable structures for a single family dwelling: \$500.		X	500	
		No. of Structures			
	g) Additions to existing habitable structures with more than one dwelling unit: \$2,500.		X	2,500	
		No. of Structures			
TOTAL FEE DUE					
10% DISCOUNT **					
TOTAL FEE DUE AFTER 10% DISCOUNT					

*The fee for minor activities is waived when the activities are in conjunction with a permit for a structure.

** 10% discount only applies to applications filed electronically pursuant to Rule 62B-33.0085(1), F.A.C.

REFUNDS: A fee payment submitted in excess of the amount required or for an activity which is exempt from the provisions of Rule 62B-33.0085, F.A.C., shall be refunded to the applicant. A fee submitted to DEP shall not be refunded if the application is withdrawn, denied, or if separate applications to other agencies or local government are denied.

PERMIT FEE EXEMPTIONS: No fees are assessed for:

- Emergency permit applications pursuant to Rule 62B-33.014, F.A.C.,
- Applications filed by agencies of government of the executive branch of the State of Florida,
- Applications for permits pursuant to Section 161.052, F.S., for work to be conducted within the 50-foot setback from mean high water in counties where no Coastal Construction Control Line has been established pursuant to Section 161.053, F.S.
- Permit transfers, or
- Field permits.
- Exemption determination

Field permits for certain minor structures and activities including dune walkovers and decks meeting DEP standards and specifications are available at no cost from DEP field representatives. Please contact the appropriate field representative for specific information about which activities may be authorized by a field permit.

MAILING ADDRESS:

Please send the fee payment to:

Department of Environmental Protection
Office of Resilience and Coastal Protection
Coastal Construction Control Line
Program 2600 Blair Stone Road, Mail
Station 3522 Tallahassee, Florida
32399-2400

Or go to the following website for instructions on how to submit an electronic CCCL application:
Apply - Coastal Construction Control Line (CCCL) Permitting

If the fee is not submitted with the application form, please include the following information with the fee payment:

- Application number (if known)
- Applicant name
- County
- Telephone number
