Florida Department of Environmental Protection

Clean Marina Pledge

As the representative of _____, I pledge that the facility will strive to implement the Clean Marina Program's Best Management Practices as standards of operations at the facility. This commitment also includes making all reasonable efforts to complete the Clean Marina, Clean Boatyard, and/or Clean Retailer Action Plan in the combined manual provided by the Florida Clean Marina Program, leading to designation as a clean facility by _____. I commit to do my part to keep Florida's waterways free of harmful chemicals, excess nutrients, and debris by maintaining an environmentally responsible business.

Through following Best Management Practices, I will identify opportunities and implement practices to control pollution associated with:

- ☞ Vessel Maintenance and Repair
- ☞ Petroleum Storage and Transfer
- ☞ Sewage Disposal
- ☞ Solid, Liquid and Hazardous Wastes
- ☞ Stormwater Runoff
- ☞ Facility Management

Our facility is seeking the following designations:

- Clean Marina
- Clean Boatyard
- Clean Marine Retailer
- Resilient Marina
