

PMT Status Through Professional Certifications

The attached list of individuals have professional certifications and therefore, are considered PMT's by statute as long as they maintain the professional certification in an active status. This list was last updated to remove inactive certifications in April of 2025.

These individuals have not been qualified by the Department as FDEP Professional Mangrove Trimmers in accordance with 403.9329(2), Florida Statutes. For a list of [FDEP Qualified Professional Mangrove Trimmers](#) visit our PMT webpage.
