Dear Bureau Chief Fooks,

The Friends of Colt Creek State Park have excelled greatly throughout their third year of growth. The CSO was successful in garnering awareness for our park through social media, CSO events, outreach and by participating in, or supporting, park events including First Day Hike, National Public Lands Day, and various workdays. Their signature event, "Get to know Colt Creek State Park", was hosted by the CSO in April of 2016 and succeeded in attracting nearly 700 visitors, the largest single-day attendance in park history up until that time. The CSO's Facebook page has grown substantially from a modest 50 'likes' in 2014 to more than 2500 to date!

The CSO demonstrated their commitment to outreach by attending local events to advocate for our park as well as arranging speaking engagements at local social clubs; Rotary and Kiwanis respectively.

Material support by the CSO has allowed our park to purchase and grow the number of rentable kayaks, as well as other items used to increase park productivity and visitor service.

The Friends of Colt Creek State Park consists of a diverse board of members who represent varying backgrounds, interests and opinions that's consistently resulted in constructive dialog and sound support for our park's different needs. CSO board meetings are conducted in a friendly atmosphere and with an unmistakable passion for Colt Creek State Park.

It is with sincere gratitude for the meaningful and productive effort of the Friends of Colt Creek State Park that I continue to offer to them my full support.

Sincerely,

Scott Duncan Park Manager Colt Creek State Park May 20, 2017

Subject: CSO President's Letter

Dear Scott:

Thank you for your support and partnership with the Friends of Colt Creek State Park. Inc. (FCCSP) over the past year and a half.

The FCCSP officially incorporated on March 4, 2014 and soon after became a citizen support organization. We are very proud of all we've accomplished in three short years.

Our primary goal is to assist one of the state's newest and least developed parks to make improvements, increase our visitors and develop a volunteer base. We have raised funds, developed and enhanced a social media presence, worked for earned media hits, assisted with numerous park activities and put on several CSO activities at the park every year.

We feel that we have been successful in increasing awareness of the park, assisting various user groups, like our equestrians, with park improvements that enhance their experience at the park.

We ended the year with well over 100 members of the Friends group and a healthy financial position that allows us to invest in the park's needs.

Our annual event—Get To Know Colt Creek—keeps growing and improving. The first year we had 200 attendees. In 2015, we had 450 attend and 45 volunteers. Last year the event drew 700 and we had well over 100 volunteers!

Our FB page grew from just 50 in 2014 to well over 2,500 by the end of 2016. The primitive equestrian campground is well used bringing both users and revenue to the park. The Horse clubs raised money to bring water lines out to the campground and the FCCSP contributed to their effort.

Our 2016 events included the following:

The First Day Hike in January where we had a great turnout of hikers ready to start the year in a healthy way.

We had several Butterfly Garden Work Days throughout the year.

We had our third successful "Get To Know Colt Creek State Park" event – Our goal was to help increase visitation to the park by bringing in new visitors. We estimate 75% of the 700+ attending had never been to the park prior to the event.

The CSO organized a Literacy Day event and focused on nature-based literacy and activities at the park. We recruited volunteers and tied in a patriotic theme.

To celebrate National Public Lands Day, the CSO organized a project to improve the area around our main pavilion enlisting the help of dozens of volunteers. The CSO also provided lunch and drinks to all that helped with the project.

In November we hosted our second annual Black Friday Turkey Trek providing volunteers and refreshments for the hikers.

The CSO also purchased merchandise including t-shirts, hats, bandanas, water bottles and stickers to help spread awareness of Colt Creek State Park. The park staff sells this merchandise instead of having to purchase their own swag.

The CSO assisted the park in moving forward on our planned family campground that was funded in the 2014 budget but hit a few snags. We went through a long process for a land use change with Polk County. We expect to finally break ground in June of 2017 and open the campground in late 2017.

In conclusion, to meet our CSO's purpose and objectives:

We raised funds to support the park and were able to get some items donated for our workdays. We purchased native plants for the butterfly garden and we purchased various items for the park as you and your staff indicated needs.

We conducted community outreach programs in the form of events; work days, newspaper coverage, social media and radio shows.

We continue to recruit and maintain a volunteer base of over 100, many who have volunteered on numerous occasions.

We've partnered with park staff on both the events that they have initiated as well as the events that the CSO has hosted.

We look forward to continuing our partnership for the betterment of Colt Creek State Park and have already seen a strong start in 2017 when the Park celebrates its 10th Anniversary.
