

DEP Form 115B

FINAL CERTIFICATION

Coastal Construction Control Line Program
Office of Resilience and Coastal Protection
Florida Department of Environmental
Protection 2600 Blair Stone Road
Mail to: Mail Station 3522
Tallahassee, Florida 32399-2400

Permit Number: _____

E-Mail to: CCCL@FloridaDEP.gov

Permittee Name: _____

This is to certify that the work under the permit for construction or other activities seaward of the coastal construction control line pursuant to Section 161.053, Florida Statutes, was inspected by the undersigned and was found to be acceptable and satisfactory in accordance with the approved plans and project description and with all conditions of the permit. All permitted construction or activities have been completed, and no unpermitted construction or activities have occurred. Location and elevations specified by the permit and approved plans have been verified and found to be correct, and topography and vegetation have been either preserved or restored as required by the permit.

FOR WORK INCLUDING:

NOTE: Any deviations from the permit and any portions of the permitted work not actually performed shall be noted and described in detail as an exception to this certification.
