YOUR MISSION AND LAST CALENDAR YEAR'S PROGRAM ACCOMPLISHMENTS:

CSO's Mission: *Consistent with your Articles and Bylaws*

Our membership organization engages, educates, and inspires visitors to Florida state parks and trails by creating and hosting events that provide opportunities for outdoor fitness and recreation and education in the preservation, interpretation, and restoration of the natural and cultural resources of Dunns Creek State Park and Palatka-to-St. Augustine Trail. We augment Florida Park Service resources by creating and maintaining a membership/volunteer base, raising funds for specific park/trail projects by securing grants and holding events, and volunteering in the areas of visitor services, administration, and management and protection of Florida's unique natural and cultural resources.

Describe Last Calendar Year's Results Obtained: *Brag!* *List or discuss the past calendar year's accomplishments and contributions. Cite specific support from last calendar year's Annual Program Plan.*

COVID-19 challenges and restrictions prevented the CSO from meeting any of its goals for fund raising, park enhancement, or production of programs, outreach, and special events.

Describe the CSO's Plans for the Next Three Calendar Years:

We will resume our efforts to attain our goals for fund raising, park enhancement, and production of programs, outreach, and special events. We have tentative plans with other organizations to co-produce specific, annual events. These annual activities, in turn, will facilitate our efforts to rebuild our membership/volunteer base and to recruit new talent to our board of directors.

CSO's LAST CALENDAR YEAR STATISTICS:

Total Number of CSO General Membership: 24

Total Number of Board of Directors: 6

Total Volunteer Hours for the Board of Directors (*Hours from VSys. Work with your parks' volunteer manager*): 412

PARK & CSO RELATIONSHIP:

Keep the summary simple. Save time. Don't duplicate by describing accomplishments and contributions in the summary. Brag in the above Results Obtained. Describe the relationship here.

Park Manager's Comments on the CSO & Park Relationship and Support:

The relationship between the park and the FODC went well. The FODC is always willing to support the park as needed and has been very flexible during a difficult year. The only improvement needed is membership. The membership has dropped considerably low this year due to Covid-19. The next several years will need to have a focus on recruitment and retaining members and re-building the board.

CSO President's Comments on the CSO & Park Relationship and Support:

Provide your perspective on the relationship between the park and CSO. What went well? Are there areas of improvement?

I appreciate the patience and kindness extended to the CSO during a very difficult year. We missed the normal level of communication between the park manager and the CSO, but there really was not much information to communicate as we all quarantined as necessary to protect ourselves and our families. We look forward to getting back up and running in the latter part of 2021.
