Dear Governor DeSantis, President Albritton, Speaker Duggan, Senator Berman and Representative Driskell:

Pursuant to section 380.512, Florida Statutes, I am pleased to submit the Florida Communities Trust Fiscal Year 2025-26 Annual Report. Florida Communities Trust distributes Florida Forever funding through competitive grants to assist local governments and eligible nonprofit organizations with the acquisition of community-based parks, open space, greenways and working waterfronts.

If you have any questions, please feel free to contact Bryan Bradner, Deputy Secretary for Land and Recreation, at 850-245-2044.

Respectfully,

Mara Gambineri
Chief of Staff

Appendix B: Summary of Financial Activity	**19**

OVERVIEW

The Florida Communities Trust (FCT), created by Chapter 380, Florida Statutes (F.S.), is a state-funded land acquisition program within the Florida Department of Environmental Protection's (DEP) Division of State Lands.

FCT assists communities in protecting natural resources, providing recreational opportunities and preserving Florida's traditional working waterfronts through the Parks and Open Space and the Stan Mayfield Working Waterfronts grant programs. Through a competitive application process, these programs provide funding to local governments and eligible nonprofit organizations to acquire land for parks, open space, greenways, and projects supporting Florida's seafood harvesting and aquaculture industries.

FCT is governed by a five-member board, chaired by the DEP Secretary or the Secretary's designee. Also serving are four members of the public appointed by the Governor: a former elected official of a metropolitan municipal government, a former elected official of a county government, a representative of a nonprofit organization whose principal goals include the conservation of natural resources or protection of the environment, and a representative of the development industry.

PARKS AND OPEN SPACE PROGRAM

FCT's Parks and Open Space Program assists communities in addressing the challenges associated with growth, supporting community development, and protecting natural resources and open space.

The program requires local governments to provide a minimum 25 percent match. An exception is provided for small local governments, which are eligible to receive 100 percent grant funding. For purposes of the program, a small local government is defined as a municipality with a population of fewer than 10,000 or a county with a population of fewer than 75,000.

Projects funded through this program provide land for recreational opportunities that enhance the health and well-being of Florida residents. The majority of FCT-funded projects address one or more of the following objectives in support of local government comprehensive plans:

- Provide conservation lands.
- Provide urban open spaces.
- Provide public parks.
- Provide greenways.

Following acquisition of a project by a grant recipient, FCT's stewardship responsibilities continue in perpetuity through a formal agreement that provides guidance on park development and management oversight. Ongoing stewardship is carried out through annual reporting requirements and site visits.

Four FCT projects closed during Fiscal Year (FY) 2025-26:

- Ravenswood Park: The City of St. Augustine was awarded $967,500 for the acquisition of 6.57 acres in St. Johns County. The site will be managed as a passive park that enhances

neighborhood resilience to tidal flooding while conserving native vegetative communities. Planned amenities include a trail, bench seating and educational signage.

- San Sebastian Boat Ramp and Waterfront Park Property: St. Johns County was awarded $3,328,474 for the acquisition of 31 acres. The property expands public access to the Atlantic Intracoastal Waterway and supports passive recreation, environmental education and coastal resource conservation. Planned amenities include boat ramps, a playground, pavilion, nature trail and a nature center with restrooms for educational programming.
- Headwaters Preserve: Indian River Land Trust, Inc. was awarded $894,557.65 for the acquisition of 36.06 acres in Indian River County. The site will continue to protect native vegetation and key wildlife habitats. Planned amenities include a 1-mile trail, wildlife observation platform, picnic pavilion, interpretive kiosk and seating. Public access and environmental education are priorities, with scheduled educational programs to be offered at the site.
- Athletic Complex Expansion Property: The Village of Palm Springs was awarded $624,920 for the acquisition of 2.77 acres in Palm Beach County. The site will support active and passive recreational uses, environmental education and increased flood protection. Planned amenities include a children's playground, picnic facility and splash pad.

STAN MAYFIELD WORKING WATERFRONTS PROGRAM

The preservation of Florida's rich history and heritage associated with the traditional seafood harvesting and aquaculture industries inspired the creation of FCT's Stan Mayfield Working Waterfronts Land Acquisition Program.

The land acquisition program provides grant funding for the acquisition of land for the restoration and preservation of working waterfronts that directly support the commercial harvest of marine organisms. Funding may also be used to acquire land for exhibitions, demonstrations, educational venues, civic events and other purposes that promote the economic, cultural and historic heritage of Florida's traditional working waterfronts. To date, the Stan Mayfield Working Waterfronts Land Acquisition Program has invested nearly $7 million to restore more than 8 acres of traditional working waterfronts.

For FY 2025-26, the Florida Legislature appropriated funding for the Stan Mayfield Working Waterfronts Capital Outlay Program. This capital outlay program provides funding to assist commercial saltwater products or commercial saltwater wholesale dealers, retailer license holders and seafood houses in maintaining their operations. During FY 2025-26, DEP awarded $4,344,775 to 56 recipients to support the commercial fishing industry.

APPENDIX A: LIST OF FCT PROJECTS

Project Number	Project Name	Recipient	Acres	FCT Grant	Local Match	Total Project Cost	Date Closed
Alachua County							
91-049-P1A	Hogtown Creek Greenway	City of Gainesville/Alachua County	483.85	$1,106,587.71	$1,134,587.74	$2,241,175.45	11/30/95

Encumbrances for Land Acquisition Activities – Parks and Open Space	$14,405,723.00
Encumbrances for Land Acquisition Activities – Stan Mayfield Working Waterfronts	$0.00
Encumbrances for Capital Outlay Activities – Stan Mayfield Working Waterfronts	$0.00
TOTAL 2025-26 ENCUMBRANCES	**$14,405,723.00**
FY 2025-26 YEAR END BALANCE (not including encumbrances)	**$27,186,949.96**

FLORIDA COMMUNITIES TRUST PROGRAM – OPERATING BUDGET	
FY 2025-26 FCT Operational Costs	
Salaries and Benefits	$398,918.43
Other Personal Services/Contracted Services (temporary staff/services)	$31,613.08
Expenses	$3,485.44
*Indirect Costs	$182,983.88
TOTAL	**$617,000.83**

**The Indirect Cost amount is calculated by taking FCT's total salaries and benefits multiplied by the FY 2025-26 indirect cost rate assigned to Land and Recreation. This calculation provides an estimate of the indirect costs (overhead, administrative costs) associated with the program.*
