

Florida Forever New Project Application

[Florida Forever](#) is the state's conservation and recreation lands acquisition program. To be considered for acquisition, a project must have a willing seller and be on the Florida Forever Priority List. The Florida Forever Priority List identifies projects that are suitable as a conservation property and meet the [Florida Forever Goals, Performance Measures and Criteria](#).

The Florida Forever Priority List is developed by the Acquisition and Restoration Council (ARC) and is approved by the Board of Trustees (BOT). The BOT must approve a project placed on the Florida Forever Priority List before it can be pursued for acquisition.

Proposed projects are prioritized and ranked in categories by ARC members in December, and the BOT approves the ARC-recommended [Florida Forever Priority List](#) in March, when a project is officially added to the list.

Applications for new Florida Forever projects are accepted by the Florida Department of Environmental Protection (DEP) two times per year, April 15 and Oct. 15. To propose a new project for the Florida Forever Priority List, submit this application along with the supporting documentation specified in Attachments A-C below in electronic format (PDF) to the email address below.

Please note that up to 18 copies may be requested. Maps should be in color and set to print no larger than 11 inches x 17 inches. Applicants may also consult the Florida Natural Areas Inventory [Florida Forever Conservation Data Viewer](#) to ensure proposed parcels are not already within an approved project boundary.
