

Submit your logo for the Florida Gulf Coast Trail

Trust for Public Land is helping build the Florida Gulf Coast Trail, a 336-mile-long corridor spanning seven counties from Hillsborough to Collier County. It will become Florida's third longest regional trail, connecting our communities like never before and providing millions of residents and visitors the physical, mental, and economic benefits of a great trail.

We are partnering with the Florida Department of Environmental Protection on a logo design contest for this monumental new path, and we'd love to see your original art envisioning the trail's future. Submit your logo design today, and then we'll let the public select their favorite. The winning submission will receive a \$5,000 prize.

Submissions due by July 22, 2023.

Thank you to our partners at the Florida Department of Environmental Protection for helping facilitate this contest.
