

# EARTH SCIENCE WEEK

## LEON SINKS GEOLOGICAL AREA GUIDED HIKE 2024

SATURDAY, OCT. 19 • 9 – 11:30 a.m.

Join State Geologist Harley Means at [Leon Sinks Geological Area](#) for a 3-mile guided hike. Along the way, learn about geology's connection to the local ecosystem and about karst features that include sinkholes, depressions, natural bridges and disappearing streams.

**PARKING:** Meet at Leon Sinks parking area at 2564 Wildflower Road, Tallahassee, Florida.

**HIKE INFORMATION:** The hike will take approximately two hours. Wear comfortable hiking attire. Bring sunscreen, water and insect repellent. A walking stick may be useful. The hike is not recommended for children.

**FEE:** \$5 fee per vehicle.

Space is limited and reservations are required. Email [Mabry.GaboardiCalhoun@FloridaDEP.gov](mailto:Mabry.GaboardiCalhoun@FloridaDEP.gov) to register for the hike.
