

# FLORIDA GEOLOGICAL SURVEY OPEN HOUSE 2024

TUESDAY, OCT. 15 • 11 a.m. to 3 p.m.

FOR ALL AGES: EARTH SCIENCE EVERYWHERE

# EARTH SCIENCE WEEK

## INTERACT

- Take a peek at rock and fossil samples through microscopes.
- Help a geologist use geophysical tools to examine the ground below us.
- Try on our safety gear and take a picture with the FGS Drill Rig.

## EXPLORE

- Discover Florida's past ecosystems.
- See our newly donated skulls collection.
- Investigate our new State Geological Sites display.
- Examine karst geology.
- Trace the path of water as it moves from the surface into our aquifer.

## LEARN

- Take a stroll through geologic time.
- Gain an understanding of how geology impacts your life.
- Discover how innovations in technology help us visualize Earth.
- View how maps connect our world.

## ALSO ON-SITE KONA ICE
