

EARTH SCIENCE WEEK

[OCTOBER 14 - 20]

WAKULLA SPRINGS GEOLOGICAL SITE DESIGNATION CEREMONY and GUIDED TOUR

THURSDAY, OCTOBER 18
Designation Ceremony 9 a.m.

Join us at Edward Ball Wakulla Springs State Park for a ceremony to designate the park as a State Geological Site. The state park protects geological features significant to the scientific study and understanding of Florida's geologic history.

Geology Site Guided Tour 9:30 a.m.

Join State Geologist Dr. Jon Arthur for a guided tour of significant geological features. Points of interest include Kitchen Sinks, Wakulla Springs and Cherokee Sink. Along the route, learn about the geologic processes that created both Cherokee Sink and Wakulla Springs.

Meet near the entrance to the Wakulla Springs Lodge after the designation ceremony.

Space is limited. Please contact Sarah.Erb@FloridaDEP.gov or **850-617-0333** for reservations.
