Florida *Green School Designation* Program

Green Apple Renewal Application

The Florida Department of Environmental Protection (DEP) applauds your decision to participate in the Florida *Green School Designation* Program by illustrating your commitment to protecting and conserving Florida’s environment. For assistance completing this application, visit <https://floridadep.gov/GreenSchools>.

INSTRUCTIONS

To complete the Florida *Green School Designation* renewal process, conduct a thorough environmental assessment of your school and implement at least two additional practices in any of the five areas of sustainable operations: (1) Communication and Education (Student, Employee, Parent, Public); (2) Waste Reduction, Reuse and Recycling; (3) Water Conservation; (4) Energy Efficiency; and (5) Air Quality and Transportation.

All new environmental practices must be implemented prior to submitting the renewal application.

For assistance see [Best Management Practices](#) and [Technical Assistance](#) or call the Green School line at (850) 245-2116.

Thank you for your continued interest in the Florida *Green School Designation* Program and your continued commitment to protect Florida’s environment and conserve our natural resources for generations to come.

BASELINE ENVIRONMENTAL PERFORMANCE DATA

To improve environmental performance, a facility must continue to measure its impact. This information helps the facility set goals and measure improvements that can be shared with guests and employees. Additionally, it helps the Florida *Green Lodging* Program promote designated facilities.

Please report solid waste, water consumption and energy usage information from invoices for the previous school year, July 1 through Jun30. Enter reporting period from: to:

mm/yyyy

mm/yyyy

If an item is not applicable, select N/A.

SOLID WASTE			
If solid waste information is not available, provide an estimate. An estimate can be calculated by weighing or measuring consumption/materials for one week. Average the weekly figure, making sure to correct for seasonal variations in your business. Multiply the weekly average by 52 to get an estimated total for the year.			
Measurements must be the ANNUAL totals in tons.
