Statutory Authority:

Section 20.2551, F.S., Citizen support organizations; use of property; audit; public records; partnerships. In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

Section 20.058, F.S., Citizen support and direct-support organizations. In summary, the statute specifies the organizational requirements to submit an annual report each year for each designated CSO and to post that information on the Departments website.

YOUR MISSION AND LAST CALENDAR YEAR'S PROGRAM ACCOMPLISHMENTS:

CSO's Mission: The Friends of Biscayne Bay (FOBB) is a non-profit citizen support organization that focuses on supporting the health and prosperity of the Biscayne Bay Aquatic Preserves (BBAP). The BBAP was established in 1974 and runs the length of Biscayne Bay proper, from the headwaters of the Oleta River down to Card Sound near Key Largo and is about 64,607 submerged acres. The Florida aquatic preserves are administered on behalf of the state by the Florida Department of Environmental Protection's (DEP) and Office of Coastal and Aquatic Managed Areas. Considering COVID-19, we have had to shift gears and strategize ways to remain involved in our community. This past year, we were successful in maintaining the community involved, raising awareness to Bay related issues, and support positive fertilizer ordinances at the county and state level.

Describe Last Calendar Year's Results Obtained: <u>Brag!</u> List or discuss the past calendar year's accomplishments and contributions. Cite specific support from last calendar year's Annual Program Plan.

FOBB has successfully raised public awareness on the impacts of Florida Power & Light Company's proposal for new nuclear units at Turkey Point on Biscayne Bay and the public's fresh water supply. We also continue to protect Biscayne Bay from unnecessary dredging and filling projects by upholding the rules and supporting stringent oversight procedures for future projects. We also actively work to prevent the defunding of the Biscayne Bay Aquatic Preserve state office. Additionally, we were successful this year in supporting and raising awareness about fertilizer <u>ordinances</u> that are necessary to support the Bay's health. With the public growing increasingly aware of the circumstances surrounding the health of Biscayne Bay, there has been an unprecedented upsurge in political aid and fiscal resources dedicated to protecting the aquatic preserves.

Describe the CSO's Plans for the Next Three Calendar Years:

Over the next few years, FOBB's focus will be to expand our community outreach and re-activate our base. With the Bay's health at risk due to development and eutrophication, FOBB will concentrate its objectives on pinpointing sources of excess phosphorus, advocating for strong policies, and ensuring the Bay remains a public place for all. One of our

priorities will be to advocate for septic-to-sewer conversion projects, as there are over 100,000 septic tanks in Miami-Dade—a large portion of which are near or around Biscayne Bay. This has become a public health issue and we need our community to come together and speak out on this.

ORCP & CSO RELATIONSHIP:

Keep the summary simple. Save time. Don't duplicate by describing accomplishments and contributions in the summary. Braq in the above Results Obtained. Describe the relationship here.

Site Manager's Comments on the CSO & ORCP Relationship and Support:

Provide your perspective on

- Changing developments of the managed area provided by the CSO.
- Effectiveness of the organization in fulfilling their purpose to support the managed area(s).
- Effectiveness of the Board of Directors in completing their Annual Program Plan.
- The relationship between ORCP and CSO What went well? Are there areas of improvement?

FOBB has increased the meeting frequency over 2020, even during a non-physically meeting year. Virtual meetings have allowed for successful and efficient communication. FOBB has worked to assist BBAP in handling the funds from the previous EcoTour Initiative revenue. Some of this funding went to the Aquatic Preserves Society (\$6,481.22). This was successfully transferred from APS to FOBB and was voted on by FOBB to be combined with the other EcoTour funding to purchase a datasonde for BBAP's water quality program. This purchase helps fulfill multiple performance measures in BBAP's Management Plan, focused on expanding BBAP's water quality monitoring network and decreasing knowledge gaps in water resource management. FOB continued to support BBAP during the Biscayne Bay Task Force meetings and finalization and contributed to comments protective of the resource and regulations.

FOBB has had good representation at frequent (sometimes every other week) meetings. While representation sometimes did not meet a quorum, when pertinent issues arose requiring an immediate meeting Board Members were willing and able to attend at short notice.

FOBB has discussed creating more documentation on financial tracking in 2021 due to more potential lines of revenue and financial support.

CSO President's Comments on the CSO & ORCP Relationship and Support:

Provide your perspective on the relationship between ORCP and CSO. What went well? Are there areas of improvement? Considering the pandemic, FOBB had to switch gears and maintain our community involved with the Bay. This past year, it was important to create a sense of stewardship for the Bay considering last summer's disastrous fish kill.

FOBB has meet bi-weekly or monthly to strategize, discuss important updates, and brainstorm fundraising tactics. We have applied to two grants that we will be hearing back from in the next few weeks. These funds will allow us to purchase more data to aid experts in their research and provide funds for FOBB interns.

Overall, FOBB meetings and engagement ran smoothly this past year.

CODE OF ETHICS

The Friends of Biscayne Bay (FOBB) is a nonprofit, citizen support organization whose purpose is to support the Biscayne Bay Aquatic Preserves. FOBB advocates for the bay, supports staff trainings and hosts educational and outreach events.

Code of Ethics

Given its mission, the Friends of Biscayne Bay has adopted a code of ethics to guide its board members, committee members and staff in their conduct when acting on behalf of the Biscayne Bay Aquatic Preserve. The Code contains broad principles reflecting the types of behavior the Friends of Biscayne Bay expects towards constituents, donors, employees, peers and the public.

This policy is not intended as a stand-alone policy. It does not embody the totality of ethical standards, nor does it answer every ethical question or issue that might arise. Rather, it is one element of a broader effort to create and maintain a quality organization that gives ethical conduct the highest priority. This Code will be reviewed periodically.

Board members, committee members and staff should:

1. Listen to our stakeholders and make all reasonable efforts to satisfy their needs and concerns within the scope of our mission, and to strive for excellence and innovation and demonstrate professional respect and responsiveness to constituents, donors and others.

2. Make an effort to understand, respect and support our constituents from other cultures, exemplified by the contributions of our staff and executive leadership, and to contribute to an organizational culture that respects the diverse, individual contributions of staff and leadership.

3. Respect the confidentiality of sensitive information about the Biscayne Bay Aquatic Preserve, its members, constituents, donors, board and employees.

4. Comply with applicable federal, state and local laws, regulations and fiduciary responsibilities in an effort to create transparency in all of our operations.

5. For the board of directors, provide credible and effective oversight to the organization's work without personal bias.

6. Not accept commissions, gifts, payments, loans, promises of future benefits or other items of value from anyone who has or may seek some benefit from the Colorado Nonprofit Association

in return, other than occasional gifts of nominal value that are in keeping with good business ethics.

7. Abide by the governing documents and policies of the Biscayne Bay Aquatic Preserve.

8. Be accountable for adhering to this Code of Ethics.

9. Implement and follow a Conflict of Interest Policy.

10. Implement and follow a Whistleblower Policy.

11. Act at all times in accordance with the highest ethical standards and in the best interest of the Biscayne Bay Aquatic Preserve, its members, constituents, donors and reputation.

12. Openly and honestly tell the truth.

13. Honor our commitments and promises to the best of our abilities.

14. Appropriately acknowledge contributions from other individuals and organizations who help facilitate our goals.

15. Not be deceptive in our fundraising activities or in prospecting for new members to join the Biscayne Bay Aquatic Preserve.

16. Advocate for all nonprofit organizations, but not for any specific initiative - being respectful to the sector as a whole.

17. Not lobby with the intent to influence individual candidates.

Compliance, Monitoring and Reporting

The Friends of Biscayne Bay management is responsible for communicating this Code of Ethics to all members of the board of directors, standing committee members, as well as staff, staff interns and staff volunteers and for ensuring its adherence at all times.

Ratified by the Biscayne Bay Aquatic Preserve's Board of Directors on December 10, 2008. (Adapted with the permission of The Donors Forum of Chicago)
