1. Eligible applicants for the Florida Resilient Coastlines Program grants are local governments of the 35 coastal counties and all municipalities within their boundaries required to include a coastal element in the local comprehensive plan. Counties or cities not required to have a coastal management element are not eligible to apply at this time. Florida regional planning councils, national estuary programs, colleges, community colleges, and state universities may partner with an eligible local government, however they may not apply as the grantee. Non-profit groups are not eligible to apply but can serve as a consultant to an eligible applicant.

2. One application per applicant/grantee may be submitted per state fiscal year cycle (i.e., one application per county, city, or other eligible applicant.). Note that all agreements will be submitted electronically for signature and receipt to awarded grantees.

3. All projects must support at least one of the Goals & Priorities listed on the FRCP’s website at: https://floridadep.gov/resilience under Grants. Note that the Goals & Priorities have changed. Please review carefully.

4. All projects must include a public outreach component.

5. Proposals must include a description of project outcomes resulting from the project outputs, even if the outcome to be achieved is beyond the assistance agreement funding period.

6. Applicants may request up to $75,000 in funding.

7. All grantees must provide a signed Certificate Statement with their application. All grantees must include written documentation from all partners providing their consent to participate and detailing their involvement in the project with their application submittal.

8. Funding is available only for project work initiated on July 1, 2020, or after the agreement fully executed date, whichever comes later, and COMPLETED BY April 30, 2021.

9. The funding for selected projects will be in the form of a fixed price agreements between the FRCP Grants Manager and the selected grantees for the performance of the work completed.

10. All questions must be submitted via email by August 19, 2019 by 12:00 PM ET with the subject line “Grant Application Questions”.

11. Applications will be scored by a panel of judges. Scores are advisory to the FRCP Program Administrator who makes the final selections. See Evaluation Scoring Sheets for details which can be found on the FRCP’s website at: https://floridadep.gov/resilience under Grants.

12. Notices of awards will be emailed to the person listed as the Grant Manager on the grant application title page. The Grantee is responsible for relaying information to other parties, such as partners or subcontractors, as necessary.

13. APPLICATION DEADLINE is OCTOBER 7, 2019 by Noon (12:00 p.m. ET). Applications received after the deadline will not be considered or evaluated.
14. All applications **must be submitted on the provided FRCP Grant Application Form** electronically via email, both as Word (.docx.) and Portable Document Format (.pdf) files. *(Word documents do not have to include required signature pages, so long as the signed pages are provided in the pdf version.)*

15. Attachments to the application, such as maps, letters, and other information, can be in a Word (.docx.) and/or portable document format (.pdf). There is a **LIMIT OF 12 PAGES for the entire application** starting with the Title Page, through the Certification Statement and including all attachments.

16. Please send the completed electronic application to the FRCP Grants Office at:
