Application Guide for
Florida Recreation Development Assistance Program

FACTS ABOUT FRDAP

WHAT IS FRDAP AND HOW IS IT ADMINISTERED?

The Florida Recreation Development Assistance Program (FRDAP) is a competitive program which provides grants to local governmental entities for acquisition and development of land for public outdoor recreation use or to construct recreational trails. The Florida Department of Environmental Protection (DEP), Land and Recreation Grants Section administers FRDAP. The FRDAP Administrative Rule can be downloaded at <https://floridadep.gov/lands/land-and-recreation-grants/content/frdap-assistance>.

WHO MAY APPLY FOR FRDAP FUNDS?

Municipal and county governments or other legally constituted entities with the legal responsibility to provide public outdoor recreation.

WHAT IS THE GENERAL APPLICATION INFORMATION?

A proposed FRDAP project must be for one of the three following categories: acquisition of land for public outdoor recreational purposes, development and/or renovation of land for public outdoor recreational purposes, or construction and/or renovation of a public recreational trail. If an **acquisition** project receives a FRDAP grant, the applicant must develop the acquired site for public outdoor recreation use within three (3) years.

HOW DO I APPLY?

Applicants must submit a completed FRDAP Grant Application during the announced submission period, **OCTOBER 1 – 15, 2021**. Applicants may submit up to two applications during the submission period. Each applicant may only have a total of three (3) active projects, including any applications being submitted. Applications must involve only one project site except for acquisition or development of salt water beach access. DEP evaluates applications based on the information provided by the applicants, except where such data is superseded by official DEP information. Failure by an applicant to present all required application information and documentation may result in the application being declared ineligible for funding consideration, or may result in a loss of points from the applicant's competitive score. **Applications will be evaluated and scored based on the information submitted by the application submission deadline.**

FRDAP Grant Applications can now be submitted through DEP's Grantee Portal (Portal) at <https://fdep.force.com/grants/s/>. The Portal will not accept any applications submitted after 11:59 p.m. on October 15, 2021. Incomplete applications will not be considered. The FRDAP Application Instructions Guide (Guide) provides guidance on how to complete the application and submit the required documentation. Please visit our website to download the Guide. For assistance using DEP's Grantee Portal, please contact FRDAP staff via email or phone 850-245-2501.

DUPLICATE PROJECTS:

Pursuant to subsection 62D-5.056(2)(e), Florida Administrative Code (F.A.C.), an applicant may not submit an application for a project site, including phased projects, if the applicant has an active grant agreement on that project site funded under Land and Water Conservation Fund, Recreational Trails Program or Florida Recreation Development Assistance Program.

SITE CONTROL:

1) For land owned by the applicant, submit a copy of the recorded warranty deed that conveyed title to the property, including any attachments. If the property was dedicated via plat, submit a copy of the recorded plat. If there are multiple parcels, submit the deed for each parcel, a map of the parcels, and connect the deeds and the map with reference numbers linking the deed to the relevant parcel. If the property or a portion of it was conveyed by quit claim deed, you will also need to submit an attorney’s opinion of title with a title search covering a minimum of 30 years.

2) For land leased by the applicant, submit a copy of the lease or management agreement. The lease must have a minimum of 30 years remaining on the lease, allow the applicant to dedicate the property, and not be revocable at will.

Projects on state-owned land under lease from the Board of Trustees of the Internal Improvement Trust Fund are not eligible to apply.

WHAT IS THE MAXIMUM GRANT AMOUNT?

Maximum grant funds an applicant may apply for is \$200,000.

GRANT MATCH RATIOS: (Based on the grant cap of \$200,000)

Project Cost	State Share	Grantee Share
\$50,000 or less	100%	0%
\$50,001 to \$150,000	75%	25%
\$150,001 up to \$400,000	50%	50%

Project Cost = State Share + Grantee Share

WHAT CAN I USE TO MATCH A FRDAP GRANT?

Cash, Land Value of **undeveloped** land owned by applicant (subject to conditions), and In-kind Services.

Refer to Rule Chapter 62D-5.055(4), F.A.C., for complete information on match requirements and match types.

HOW ARE FRDAP GRANTS AWARDED?

Each application is reviewed to determine eligibility. The Land and Recreation Grants Section evaluates each eligible application according to Florida Administrative Code and assigns a final score. Based on the scores, DEP prepares and submits a recommended priority list to the Florida Legislature for funding consideration. **DEP’s performance and obligation to award program grants is contingent upon an annual appropriation by the Florida Legislature. Should the project receive funding, the grantee will have up to three (3) years from the start of the state’s fiscal year in which funds are appropriated to complete the project.**

If questions arise while preparing the application, please contact the Land and Recreation Grants Section Staff via email: Tamika.Bass@FloridaDEP.gov, Angie.Bright@FloridaDEP.gov or LaShae.Grice@FloridaDEP.gov.
