Subject: Call for Applications for the Beach Management Funding Assistance Program's FY 2022/2023 Local Government Funding Request

Dear coastal stakeholders,

The Beach Management Funding Assistance Program (Program) is developing the annual prioritized list of beach and inlet management projects for the Department's FY 2022/2023 Local Government Funding Request (LGFR). **We ask that applications are submitted at your earliest convenience, with a deadline to submit by July 31, 2021.**

Application: Funding applications are provided as Adobe Acrobat PDF-fillable forms. Please provide additional documents as attachments to the application. Separate Beach and Inlet Project application forms can be viewed and downloaded from the Program's website: <https://floridadep.gov/rcp/beaches-funding-program/content/beaches-funding-assistance-information>.

Survey data: The most recent physical monitoring survey data is necessary to complete coastal engineering assessments. Please provide the data (via the submission instructions below) at your earliest convenience and by the application deadline.

Submission instructions: Completed applications, attachments, and survey data can be submitted by email to Beaches_Funding@FloridaDEP.gov or by uploading the documents to the Program's secure FTP website. Follow the link below and enter the password "beachfunding" to upload the documents to the respective County folder.
