Telephone Number: 904-823-4527 Website Address (if applicable): WWW.GTMNERR.ORG

Statutory Authority:

Section 20.2551, F.S., Citizen support organizations; use of property; audit; public records; partnerships. In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

Brief Description of the CSO's Mission:

The Friends of the GTM Reserve's mission is to support and enhance environmental education, stewardship of natural and cultural resources, and scientific research of the GTM NERR through volunteer initiatives, citizen involvement, and community partnerships.

Brief Description of the CSO's Results Obtained:

Friends of the GTM Reserve's officers and directors provide support by attending monthly business meetings, representing the GTM NERR at community events and in groups such as the Management Advisory Group, planning and executing fundraising events, using social media to raise awareness of the GTM NERR and its significance to the community, and creating partnerships with community and corporate stakeholders. The Friends board held their annual Strategic Planning Retreat in January where they reviewed the Strategic Plan and approved the annual operations budget.

Due to the Friends ability to financially manage grants, the GTM NERR has been able to expand their research, education, and stewardship programs. Grants include science transfer grants, education grants, crab trap removal grants, and water quality research grants with organizations such as Florida Inland Navigation District, University of Michigan, and University of Florida.

Staff at the GTM NERR have been able to attend certification classes, workshops, and conferences relevant to the GTM NERR's mission, get research papers published, and maintain memberships in organizations and groups using funds provided by Friends and their supporters.

The Friends manage and promote use of the facilities at the GTM NERR to include: weddings and special events, dormitory stays, workshops and classes, beach permits, photography and commercial video permits to increase revenue that is used to fund the research, education, and stewardship programs at the GTM NERR.

The Friends have entered the second year of their partnership with Guana Outpost South to provide recreational amenities and improve the visitors experience at the GTM NERR. Amenities include: kayak rentals, stand-up paddle board rentals, bike rentals, bait and tackle, and the sale of recreational merchandise. Proceeds from the partnership help fund programs at the Reserve.

The Friends of the GTM Reserve have increased their engagement with community organizations in order to build recognition and partnerships for the GTM NERR, Organizations include: Rotary International, Northeast Florida Association of REALTORS, St. Augustine Weddings and Events Association, St. Johns County Chamber of Commerce, and Kiwanis Club.

The Friends organized several financial appeals to increase revenue and provide support for GTM NERR programs to include: continued support for the sea turtle patrol through the Adopt-A-Nest program, development of a corporate partnership program, and increased support from family foundations.

The Friends have worked to establish a culture of collaboration between Friends members and GTM Research Reserve staff in order to improve and support program outcomes. To accomplish this, the Friends have organized meet-and-greets with GTM program managers, Friends board members, and key volunteers. Program managers also present quarterly at Friends board meetings to provide updates on the status of their work plan and advise the board on how they can support their program.

Membership has increased by 10 percent over last year.

Brief Description of the CSO's Plans for Next Three Fiscal Years:

See attached Friends Strategic Plan.

By 2021, the Friends of the GTM Reserve plan to:

- increase fundraising and revenue to fund GTM NERR programs in order to support the NERR's Management Plan and bridge the gap in funding from state and federal agencies.
- increase the number of Friends members and supporters.
- create partnerships with corporate sponsors, family foundations, and grantors.
- expand community outreach through partnerships with other nonprofits, media outlets, civic organizations, and municipalities.

Friends of the GTM Reserve

Strategic Plan 2018-2019

Background and History

The Friends of the GTM Reserve was established as the Citizen Support Organization (CSO) for the GTM Research Reserve on December 29, 2000, as per a memorandum of agreement (MOA) between the Friends of the Guana Tolomato Matanzas National Estuarine Research Reserve, Inc. and the State of Florida Department of Environmental Protection Office of Coastal and Aquatic Managed Areas (OCAMA). The agreement granted exclusivity to the Friends to serve as the CSO for the GTM Research Reserve located in St. Johns and Flagler County Florida. Under the MOA, OCAMA granted the Friends authorization to provide the following kinds of services for the benefit of the GTM Research Reserve: fund raising events, official meetings of the CSO membership, volunteer activities and projects, and public educational and interpretive activities or events.

Articles of Incorporation for the Friends were filed on September 27, 2000 and the ending date of its first tax year was September 30, 2000.

On December 24, 2003, Articles of Merger were filed with the State of Florida to merge the Friends of the GTM Reserve with the Friends of Guana River State Park upon dissolution of Guana River State Park and its absorption into the GTM Research Reserve boundary.

The Friends of the GTM Reserve received their IRS Tax Determination Letter on August 23, 2007.

The Mission

Support and enhance environmental education, stewardship of natural and cultural resources, and scientific research at the GTM Research Reserve through volunteer initiatives, citizen involvement, and community partnerships.

The Vision

A GTM Research Reserve that is fully funded and supported in order to achieve the conservation of natural biodiversity and cultural resources using science-based strategies.

Core Values

The following core values are at the heart of the Friends of the GTM Reserve. We exist to support the GTM Research Reserve and can only do so if we hold ourselves to a defined set of ideals that align with the Reserve's mission.

Support of Science. The GTM Research Reserve mission is to achieve the conservation of natural biodiversity and cultural resources by using the results of research and monitoring to guide science-based stewardship and education strategies. With that, it is our role as their Citizen Support Organization to support the use of science as the guiding principle in how we advocate and communicate on behalf of the GTM Research Reserve.

Agility and Responsiveness. As a Citizen Support Organization of the GTM Research Reserve, the Friends exist to bridge the gap in funding and provide resources when they are needed most. To do that, we must be agile, responsive, and willing to change course quickly to support the GTM NERR's most urgent needs.

Financial Sustainability. Bridging the gap in funding for the GTM Research Reserve requires that the Friends of the GTM Reserve be financially sustainable and focused on revenue creation. Decisions regarding expenses,
