**Notes:**

1. Source of Florida Department of Health (FDOH) wells: well surveillance program data download dated 13 April 2020.
2. Active indicates the well is used on a regular basis or will be used within a reasonable period of time (2-3 months).  
 Inactive indicates the well has not been regularly used within the past 6-12 months but is maintained in such a state that it could be used.
3. Approximate site boundary obtained from Florida Department of Revenue GIS and Cadastral Mapping website on 14 May 2019 (St. Lucie County 2018 data).
4. Source of 2017 aerial: Florida Department of Transportation Aerial Photo Look Up System website.
