In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

**Section 258.015, F.S., Citizen support organizations; use of property; audit**. In summary, the statute defines a CSO, requires authorization by the Division of Recreation and Parks, and specifies the use of property. This statute authorizes the Partnerships in Parks (PIP) program for state parks, the program's operational parameters, CSO's operational parameters, and donor recognition.

### YOUR MISSION AND LAST CALENDAR YEAR'S PROGRAM ACCOMPLISHMENTS:

Our mission is to provide financial and volunteer resources in furtherance of the mission and needs of Honeymoon Island State Park and Caladesi Island State Park.

### Describe Last Calendar Year's Results Obtained:

Last year's results were greatly impacted by the restrictions imposed to combat to Covid-19. We hosted no in-person events, including membership meetings. We initiated online sales from the Rotary Centennial Nature Center to offset the dramatic loss of in-person sales with the closure and continued restricted visiting hours of the Nature Center. One good result was that online sales grew, and we expect they will continue to supplement in-person sales in the coming years.

We were able to meet our obligations for construction costs for the Caladesi Discovery Center which included payments to the contractor, and ongoing architectural and engineering costs totaling over \$708,000.00.

At the end of the year, we initiated our first ever "Annual Campaign" fund raising drive seeking donations directly from our membership, netting over \$20,000.00. This initial attempt's success is encouraging for future campaigns.

We again met our commitment for contributing to annual salary expenses for a dedicated Nature Center ranger position though the HOSP program.

### Describe the CSO's Plans for the Next Three Calendar Years:

We plan to resume activities closely following the plans and goals established for 2020. This will include the opening of the Caladesi Discovery Center, the establishment of interesting and educational displays and exhibits there, as well as a plan for financing an ongoing maintenance plan for the Center's elevator.

We will reinstate our annual Earth Day event, continue to partner with several local groups that conduct running, biking and swimming events at the parks, and we plan to continue our annual Bluegrass Festival.

We will work with the park manager to identify potential long range capital projects identified in the upcoming unit management plan.

### CSO's LAST CALENDAR YEAR STATISTICS:

Total Number of CSO General Membership: 562 Total Number of Board of Directors: 12 Total Volunteer Hours for the Board of Directors: 1,105

### PARK & CSO RELATIONSHIP:

### Park Manager's Comments on the CSO & Park Relationship and Support:

The Friends of the Island Parks plays a significant role in ensuring our parks remains an outstanding member of the Florida Park Service and the local community. Through outreach, fundraising, and a very favorable relationship with the local community, the Friends continue to enhance the operations of the parks. Their fundraising efforts have enabled the Friends to provide much needed equipment and supplies for the park, most significantly providing \$707,000.00 toward development and construction of the Caladesi Discovery Center. The Friends maintain the park's Nature Center gift shop, as well as provide funding for Nature Center staff.

Looking ahead, the Friends plan to focus on opening the Caladesi Discovery Center, including development of interpretive displays. With the ability to return to programming and events, the Friends will once again use these activities to raise funds, build awareness of the parks, and ensure the parks remain valuable components of the local communities.

It is a pleasure working with such a dedicated and supportive group of volunteers. The efforts of the Friends of the Island Parks clearly add to the operational success of our parks as well as the high-quality experience enjoyed by our park visitors.

### CSO President's Comments on the CSO & Park Relationship and Support:

The relationship with park management remains strong and productive. Communication is good. Park management has been very supportive of our efforts to try to get back to "business as usual" by guiding us through the various Covid-19 restrictions and limitations.

### 1. Prohibition of Solicitation or Acceptance of Gifts

No Friends board member, officer, or employee shall solicit or accept anything of value to the recipient, including a gift, Ioan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the Friends board member, officer, or employee would be influenced thereby.

### 2. Prohibition of Accepting Compensation Given to Influence a Vote

No Friends board member, officer, or employee shall accept any compensation, payment, or thing of value when the person knows, or, with reasonable care, should know that it was given to influence a vote or other action in which the Friends board member, officer, or employee was expected to participate in his or her official capacity.

When abstaining, the Friends board member or officer, prior to the vote being taken, shall make every reasonable effort to disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. Before you check Box D, E, or F below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

**Part II Long-Term.** Transactions involving capital assets you held more than 1 year are generally long-term (see instructions). For short-term transactions, see page 1.

**Note:** You may aggregate all long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 8a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box D, E, or F below. Check only one box. If more than one box applies for your long-term transactions, complete a separate Form 8949, page 2, for each applicable box. If you have more long-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.
