

**ITEM 7:**

ARC Ranking Tool overview.

**STAFF REMARKS:**

On December 9, 2021, the Acquisition and Restoration Council (ARC) will rank projects for the 2022 Florida Forever Priority List. In preparation of this annual ranking process, Mr. Jon Oetting Chief of Conservation Planning Services at the Florida Natural Areas Inventory, will provide an overview of the Florida Forever ranking process and tool developed to assist ARC members with project ranking. This is intended to be a refresher to help prepare the Council; there have been no changes to the process or tool.
