**Statutory Authority:**

**Section 20.2551, F.S., Citizen support organizations; use of property; audit; public records; partnerships.** In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

**Section 258.015, F.S., Citizen support organizations; use of property; audit.** In summary, the statute defines a CSO, requires authorization by the Division of Recreation and Parks, and specifies the use of property. This statute authorizes the Partnerships in Parks (PIP) program for state parks, the program's operational parameters, CSO's operational parameters, and donor recognition.

**CSO's Mission:** *Consistent with Articles and Bylaws*

The Friends of Kissimmee Prairie Preserve, Inc. was formed in 2011 to work for the preservation, protection, interpretation and promotion of and in the best interest of Kissimmee Prairie Preserve. The Friends organization is a Florida not-for-profit 501(c)(3) corporation and relies on membership fees and private donations to pursue activities on behalf of the Preserve.

**Description of the CSO's Results Obtained:** *Brag! Expand section as necessary to be complete*

In 2019 the CSO held 3 quarterly meetings. Revenues reserves increased in 2019 from \$16,000 in January to \$20,000 in December. Membership for the Friends increased from 97 to 102 members, a 5% increase.

The CSO hosted Flower Walk Days in spring and fall (N=20 participants each), a Prairie Days and Prairie Nights celebration with tours and astronomical viewing that brought over 100 visitors through the gates and gave buggy rides to more than 150 people (campers joined the event). We hosted an astronomy night in November. We advertised our presence at the Okeechobee Battlefield reenactment event.

One Board member assisted with prescribed burns and another helps lead tours for Audubon Chapters at the Preserve and gives regular talks to citizens groups that refer to the Preserve and/or Florida Grasshopper Sparrows. Another board member attended the park manager's meeting in November. The meeting was highly focused on how to help CSO's thrive and many ideas on fundraising and member recruitment were brought to the following KPPSP CSO meeting.

The CSO managed firewood sales that brought in positive revenue and bought ice for fire crews. We framed a watercolor painting that was purchased in honor of Buck and Linda Cooper who have done so much volunteer

butterfly work for the Prairie and other properties in the State. The painting now hangs in the Preserve office. A dryer was purchased for seasonal crew who work diligently to treat invasive exotic plants and help search for the elusive Florida grasshopper sparrow during breeding season. We also are planning appropriate tributes to Daniel Willis, and ranger Jen Benson, who we also lost prematurely and unexpectedly in the past two years, in cooperation with the Park Service.

With revenues up we expect to purchase more things for the Preserve in the coming year.

We maintain a membership in the Okeechobee Chamber of Commerce and interact with them as much as possible to promote the Preserve. We also help support the Dark Sky Status of the Preserve, helping to obtain equipment and/or appropriate lighting as needed.

**Description of the CSO's Plans for the Next Three Fiscal Years:** *Expand section as necessary to be complete*

We plan to continue working to raise awareness about Kissimmee Prairie Preserve, add members and solicit donations in Florida, nationally, and internationally. We will continue holding semi-annual plant walk events (spring & fall) to introduce new people to the preserve, encourage repeat visitors, and raise funds for Friends projects to benefit the Preserve. The Prairie Days & Prairie Nights event will be held annually to increase local interest, involvement, and friends for the Preserve. We plan to hold more specialized educational swamp buggy tours with visiting experts as leaders. We will continue to support Kissimmee Prairie Preserve as a Dark Sky Park with outreach during events and by hosting a December astronomy program/event held in conjunction with the Florida astronomy community. Our CSO will continue to do all we can to help the endangered Florida Grasshopper Sparrow at the Preserve, through use of our FGSP fund, and by educating the public through our web site and social media pages.

Other goals we continue to work toward and discuss are: partnering with more Florida organizations and educators to promote the Preserve, keeping species checklists updated and adding one for reptiles & amphibians, purchasing t-shirts for fire crew and finding ways to introduce more school children to the Preserve. We hope to develop an iNaturalist project with Preserve staff to record useful data about sightings in the Preserve. Long term goals still include an outdoor covered amphitheater for educational programs, research housing for visiting scientists, moveable speed bumps for the road to reduce road kill, a new, larger swamp buggy for visitor tours, prairie restoration projects, and new interpretive displays.

**CSO's Code of Ethics is attached, and if the CSO has a website the code of ethics is posted conspicuously.**

## Code of Ethics

---

### **PREAMBLE**

- 1) It is essential to the proper conduct and operation of Friends of Kissimmee Prairie Preserve (herein "CSO") that its board members, officers, and employees be independent and impartial and that their position not be used for private gain. Therefore, the Florida Legislature in Section 112.3251, Florida Statute (Fla. Stat.), requires that the law protect against any conflict of interest and establish standards for the conduct of CSO board members, officers, and employees in situations where conflicts may exist.
- 2) It is hereby declared to be the policy of the state that no CSO board member, officer, or employee shall have any interest, financial or otherwise, direct or indirect, or incur any obligation of any nature which is in substantial conflict with the proper discharge of his or her duties for the CSO. To implement this policy and strengthen the faith and confidence of the people in Citizen Support Organizations, there is enacted a code of ethics setting forth standards of conduct required of Friends of Kissimmee Prairie Preserve board members, officers, and employees in the performance of their official duties.

### **STANDARDS**

The following standards of conduct are enumerated in Chapter 112, Fla. Stat., and are required by Section 112.3251, Fla. Stat., to be observed by CSO board members, officers, and employees.

#### **1) Prohibition of Solicitation or Acceptance of Gifts**

No CSO board member, officer, or employee shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the CSO board member, officer, or employee would be influenced thereby.

#### **2) Prohibition of Accepting Compensation Given to Influence a Vote**

No CSO board member, officer, or employee shall accept any compensation, payment, or thing of value when the person knows, or, with reasonable care, should know that it was given to influence a vote or other action in which the CSO board member, officer, or employee was expected to participate in his or her official capacity.

#### **3) Salary and Expenses**

No CSO board member or officer shall be prohibited from voting on a matter affecting his or her salary, expenses, or other compensation as a CSO board member or officer, as provided by law.

#### **4) Prohibition of Misuse of Position**

A CSO board member, officer, or employee shall not corruptly use or attempt to use one's official position or any property or resource which may be within one's trust, or perform official duties, to secure a special privilege, benefit, or exemption.

#### **5) Prohibition of Misuse of Privileged Information**

No CSO board member, officer, or employee shall disclose or use information not available to members of the general public and gained by reason of one's official position for one's own personal gain or benefit or for the personal gain or benefit of any other person or business entity.

#### **6) Post-Office/Employment Restrictions**

A person who has been elected to any CSO board or office or who is employed by a CSO may not personally represent another person or entity for compensation before the governing body of the CSO of which he or she was a board member, officer, or employee for a period of two years after he or she vacates that office or employment position.

#### **7) Prohibition of Employees Holding Office**

No person may be, at one time, both a CSO employee and a CSO board member at the same time.

#### **8) Requirements to Abstain From Voting**

A CSO board member or officer shall not vote in official capacity upon any measure which would affect his or her special private gain or loss, or which he or she knows would affect the special gain or any principal by whom the board member or officer is retained. When abstaining, the CSO board member or officer, prior to the vote being taken, shall make every reasonable effort to disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. If it is not possible for the CSO board member or officer to file a memorandum before the vote, the memorandum must be filed with the person responsible for recording the minutes of the meeting no later than 15 days after the vote.

#### **9) Failure to Observe CSO Code of Ethics**

Failure of a CSO board member, officer, or employee to observe the Code of Ethics may result in the removal of that person from their position. Further, failure of the CSO to observe the Code of Ethics may result in the Florida Department of Environmental Protection terminating its Agreement with the CSO.
