

## Florida, let's recycle right Pilot Program

Here are some recycling tips:

1. Bag all shredded paper.
2. Make sure paper and paperboard products are clean and dry.
3. Remove plastic and metal binding from spiral notebooks.
4. Empty all liquids from plastic bottles and metal cans.
5. Clean out all food scraps from tin cans and plastic containers.
6. When in doubt throw it out!

**no  
binding**

**no  
glass**

**no  
liquid**

**no  
styrofoam**

**no  
food**

**no  
loose  
shredded  
paper**

**no
