The undersigned representatives of the Managing Entity and Project Sponsor named above hereby ratify and confirm:

1. That the Managing Entity is willing to manage the Project should it be acquired by the Department of Environmental Protection as part of the Florida Greenways and Trails System;

2. That improvements ☐ are ☐ are not (check one) located upon or within the Project site and that the Managing Entity is also willing to:

   A. Operate and maintain said improvements as a part of its management of the Project; or

   B. Disassemble, dispose or otherwise remove said improvements from the Project site prior to the commencement of Project operation.

3. That management of the Project will be based on the proposed uses described in the Application for Acquisition of Lands submitted to the Office of Greenways and Trails;

4. That the managing Entity will execute a lease, sublease or other management agreement in favor of the Board of Trustees of the Internal Improvement Trust Fund to establish the terms and conditions upon which the Project will be managed;

5. That the Managing Entity will be responsible for payment of an annual management administrative fee to said Board of Trustees as further detailed in the lease, sublease or management agreement referred to in paragraph (4) above; and

6. That the Managing Entity will develop, adopt and timely update an individual management plan for the Project in accordance with Sections 253.034 and 259.032, Florida Statutes, Section 62S-1.250(1), Florida Administrative Code, and as further detailed in the lease, sublease or management agreement referred to in paragraph (4) above.

IN WITNESS WHEREOF, the undersigned parties have caused this instrument to be signed in their respective names as of the dates set forth below their signatures.
