Public Meeting Agenda

August 25, 2021 at 11:00 a.m. Clean Waterways Act, Onsite Sewage Treatment and Disposal Systems Technical Advisory Committee Meeting 1

This is the first meeting of the Onsite Sewage Treatment and Disposal Systems Technical Advisory Committee (OSTDS TAC) convened by the Department of Environmental Protection (DEP). The Clean Waterways Act, Section 8, Chapter 2020-150, Laws of Florida, directed DEP to create an OSTDS TAC that will provide recommendations to the Governor and Legislature by January 1, 2022 related to requirements for the physical location of OSTDS and the marketplace availability and use of associated Enhanced Nutrient Reducing (ENR) technology. The OSTDS TAC's recommendations will guide the department's future rulemaking activities.

The TAC meetings are open to the public. DEP is hosting this public meeting via webinar. Interested parties can [register for the webinar](#).
