

Florida DEP Qualified PMTs

The attached list of individuals have demonstrated to the Department a sufficient level of competence to assure that they are able to conduct mangrove trimming in a manner that will ensure survival of the mangroves that are trimmed. Additionally, the Department has determined the below PMTs possess the knowledge and ability to correctly identify and trim mangroves in accordance with the Mangrove Trimming and Preservation Act (sections 403.9321- 403.9334, Florida Statutes (F.S.). As part of their DEP qualification they have provided a minimum of 10 successfully completed mangrove trimming projects which were verified for compliance with the Mangrove Trimming and Preservation Act.

The Department also maintains a list of individuals who have professional certifications (at the time of request) and have asked to be included on our website. For a list of [PMTs Through Professional Certifications](#) visit our webpage.
