Statutory Authority:

Section 20.2551, F.S., Citizen support organizations; use of property; audit; public records; partnerships.

In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

Brief Description of the CSO's Mission:

Friends of Our Florida Reefs (FOFR) is a registered 501c3 nonprofit citizen support organization dedicated to conserving and protecting over 100 miles of vital coral reefs directly offshore between Miami-Dade and Martin Counties in SE Florida, by enhancing and complementing the critical efforts, programs and activities of the Florida Department of Environmental Protection's Coral Reef Conservation Program (FDEP CRCP).

Brief Description of the CSO's Results Obtained: After one full year of active incorporation in 2016, the Year 2017 marked a major milestone for FOFR as a critical ally for the FDEP CRCP and its regional partners. In addition to month-to-month opportunities, FOFR helped support the multi-day/location 2017 US Coral Reef Task Force Meeting held in S. Florida in August 2017. The state of Florida previously hosted the USCRTF meetings in 2011 and 2004. FOFR successfully collected funds and in-kind support for general and specific USCRTF Meeting needs, including hosting a reception meeting, and field trips to key regional location for the experts who arrived from around the nation and globe. In addition to garnering support from Broward County, NPO/NGO's and Foundations, funds and gifts included a mix of sponsorships from local businesses municipalities. In 2017, FOFR also assisted with supporting multiple SEFCRI and other stakeholder meetings, and helped provide volunteer manpower for regional outreach and education throughout the year. FOFR was also key in assisting the FDEP CRCP to coordinate a second in-water SEAFAN BleachWatch field training during the fall, which has developed much further in 2018.

Brief Description of the CSO's Plans for Next Three Fiscal Years:

FOFR's plan for the next three years is to build and sustain a significant bank and volunteer reserve to assist the FDEP CRCP with its known needs and budget gaps, and creating capacity to assist in rapid response for reef-impacting emergencies and any unknown needs. FOFR will strive to grow and maintain funding reserves of at least \$50,000 while working to provide the SE Florida 4-County Community with FDEP CRCP-approved programs, activities, and opportunities that may not require significant State Agency oversight nor staff time.

- (2) It is hereby declared to be the policy of the state that no CSO board member, officer, or employee shall have any interest, financial or otherwise, direct or indirect, or incur any obligation of any nature which is in substantial conflict with the proper discharge of his or her duties for the CSO. 1. Prohibition of Solicitation or Acceptance of Gifts

No CSO board member, officer, or employee shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the CSO board member, officer, or employee would be influenced thereby.

2. Prohibition of Accepting Compensation Given to Influence a Vote

No CSO board member, officer, or employee shall accept any compensation, payment, or thing of value when the person knows, or, with reasonable care, should know that it was given to influence a vote or other action in which the CSO board member, officer, or employee was expected to participate in his or her official capacity.

When abstaining, the CSO board member or officer, prior to the vote being taken, shall make every reasonable effort to disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. If it is not possible for the CSO board member or officer to file a memorandum before the vote, the memorandum must be filed with the person responsible for recording the minutes of the meeting no later than 15 days after the vote.

9. Failure to Observe CSO Code of Ethics

Failure of a CSO board member, officer, or employee to observe the Code of Ethics may result in the removal of that person from their position. Further, failure of the CSO to observe the Code of Ethics may result in the Florida Department of Environmental Protection terminating its Agreement with the CSO.
