Statewide Flooding and Sea Level Rise Resilience Plan Rule 62S-8 Rule Development Workshop

Room 137A Marjory Stoneman Douglas Building

And

Virtually via Microsoft Teams

March 17, 2022 at 1:30pm EDT

The department is creating this rule chapter to implement Section 380.093, F.S., relating to the Statewide Flooding and Sea Level Rise Resilience Plan and project submittal requirements. Entities for which this rule is relevant include coastal and inland communities including counties, municipalities, water management districts, flood control districts, and regional resilience entities. The subject matters addressed by the rule will include sea level rise, flooding, infrastructure, planning, vulnerability, and resilience related to the development of the Statewide Flooding and Sea Level Rise Resilience Plan. A [Notice of Rule Development](#) was published in the FAR on Aug. 2, 2021. An updated [Notice of Rule Development](#), including a Rule Development Workshop notice, was published in the FAR on February 17, 2022.

Agenda for the Rule Development Workshop

1. Opening Remarks from Dr. Wes Brooks, Chief Resilience Officer for The State of Florida
2. Brief overview of the program to date from Eddy Bouza, Resilient Florida Planning and Policy Administrator
3. Presentation of Scoring Criteria Draft Language from Krista Shipley, Resilient Florida Planning Consultant
 - a. Scoring Tiers 1 & 2 with Discussion and Q&A
 - b. 5–10-minute break
 - c. Scoring Tiers 3 & 4 with Discussion and Q&A
4. Next steps
