Nov. 19, 2025, at 10:00 a.m. EDT 62-621.300, Florida Administrative Code (F.A.C.). Construction Generic Permit Rule Development Workshop Agenda

This is a rule development workshop to discuss and receive public input on the draft National Pollutant Discharge Elimination System (NPDES) Construction Generic Permit (CGP). The proposed changes to the NPDES CGP include a new structure and format, the introduction of new requirements based on the 2022 U.S. Environmental Protection Agency CGP, and permit requirements that are clearer and more specific for both the regulated community and regulatory entities. The [Notice of Rule Development](#) on the above subject matter was published in the Florida Administrative Register on Feb. 18, 2025, (Vol. 51, No. 33).

The rule development workshop is open to the public. DEP is hosting this public workshop via webinar and in person at 2600 Blair Stone Road, Room 609, Tallahassee, FL 32399. Interested parties should [register for the webinar](#).
