Statutory Authority:

Section 20.2551, F.S., Citizen support organizations; use of property; audit; public records; partnerships. In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

Section 258.015, F.S., Citizen support organizations; use of property; audit. In summary, the statute defines a CSO, requires authorization by the Division of Recreation and Parks, and specifies the use of property. This statute authorizes the Partnerships in Parks (PIP) program for state parks, the program's operational parameters, CSO's operational parameters, and donor recognition.

YOUR MISSION AND LAST CALENDAR YEAR'S PROGRAM ACCOMPLISHMENTS:

CSO's Mission: *Consistent with your Articles and Bylaws*

The Friends of Sebastian Inlet State Park, Inc, is a non-profit 501 (C) (3) organization dedicated to supporting the park and its two museums. The organization enhances the state's mission to provide and preserve resource-based recreation such as fishing, surfing and enjoying the outdoors.

Describe Last Calendar Year's Results Obtained: *Brag! List or discuss the past calendar year's accomplishments and contributions. Cite specific support from last calendar year's Annual Program Plan.*

Obviously, last year wasn't a normal year, to say the least, but it gave us a chance to find new ways to support the Park and start setting us up for the next several years. Some of those changes included switching our website to Wild Apricot, which has been successful in getting information out to our members and Public faster. We have also started a new membership program with a new brochure which is doing very well in its first year!

Our Currant Turtle Fundraiser in conjunction with The Mental Health Association has been very successful to start! We were able to raise the initial \$10,000 to purchase the 5 foot tall turtle statue and once it's made, it'll be shipped to a local artist for painting.

With our new membership program our counting of members has changed. Our paying members amount to 48 people or families. We are currently looking to change our by-laws, as everyone became a general member when they reached 50 hours of service. This will hopefully make it easier to track in the future.

Describe the CSO's Plans for the Next Three Calendar Years:

Continue to raise funds for the Sea Turtle Museum by partnering with the Mental Health Association. Ongoing throughout the summer & into the Fall we will be raising monies which will be split 50-50 with the MHA, over which time we hope to raise at least \$25,000 or more that will go towards our vision of a Turtle Museum near the Fishing Museum. Additional funds will be raised by online donations, events, and raffles to contribute to this interpretive enhancement. We will continue to assist with turtle walks and night sounds concerts and continue with fund raising for the park thru gift shop sales, firewood and ice vending.

CSO's LAST CALENDAR YEAR STATISTICS:

Total Number of CSO General Membership: 48

Total Number of Board of Directors: 11

Total Volunteer Hours for the Board of Directors: 4,509.22

PARK & CSO RELATIONSHIP:

Keep the summary simple. Save time. Don't duplicate by describing accomplishments and contributions in the summary. Brag in the above Results Obtained. Describe the relationship here.

Park Manager's Comments on the CSO & Park Relationship and Support:

The Friends of Sebastian Inlet State Park have made significant progress over this past year despite the many challenges faced with temporary reduced visitor capacity at the park, lack of park events and loss of board members. I am continuously impressed with the dedication of the members and their desire to assist the park in any way possible. The relationship I have developed with the Board of Directors continues to be strong, with great communication and a clear understanding of the park's goals.

The CSO continues to be successful with gift shop sales, ice and firewood sales, and a campground vending machine. They have established a membership committee that has been effective in bringing in new members and have made connections with other local non-profits, such as the Chamber of Commerce, to broaden their membership base. They gained one new board member this year, but remain without a vice president which has placed a lot of the responsibility on the president. Although they are actively searching for someone to take on this role, they have not been unable to do so thus far.

This year the Friends switched from their old website, which was in dire need of updating, to Wild Apricot. The previous website had not changed much in the past ten years and lacked some of the basic features of most websites today. This allowed them to add a donation button for ease of obtaining funding, a social media link, new events page, membership options, updated photos and an overall restructured appearance. They had their first reoccurring donation this year through the new system.

The Friends assisted the park in a joint fundraising venture this past year with the Mental Health Association (MHA) of Indian River County and have several events planned for later this summer. I am looking forward to restarting events such as the Night Sounds concerts, fishing clinics and outreach activities as well as creating new opportunities to raise funds to improve the park. All of which will significantly increase profits for the year.

CSO President’s Comments on the CSO & Park Relationship and Support:

Provide your perspective on the relationship between the park and CSO. What went well? Are there areas of improvement?

As President, I am very happy with the relationship with everyone at the Park! Everyone is willing to go above & beyond when working with the CSO. The support received on the membership program & the Turtle Fundraiser has been outstanding. I couldn't ask for a more supportive group to work with.

FRIENDS OF SEBASTIAN INLET STATE PARK CODE OF ETHICS

PREAMBLE

(1) It is essential to the proper conduct and operation of Friends of Sebastian Inlet State Park (herein "CSO") that its board members, officers, and employees be independent and impartial and that their position not be used for private gain. Therefore, the Florida Legislature in Section 112.3251, Florida Statute (Fla. Stat.), requires that the law protect against any conflict of interest and establish standards for the conduct of CSO board members, officers, and employees in situations where conflicts may exist.

(2) It is hereby declared to be the policy of the state that no CSO board member, officer, or employee shall have any interest, financial or otherwise, direct or indirect, or incur any obligation of any nature which is in substantial conflict with the proper discharge of his or her duties for the CSO. To implement this policy and strengthen the faith and confidence of the people in Citizen Support Organizations, there is enacted a code of ethics setting forth standards of conduct required of Friends of Sebastian Inlet State Park board members, officers, and employees in the performance of their official duties.

STANDARDS

The following standards of conduct are enumerated in Chapter 112, Fla. Stat., and are required by Section 112.3251, Fla. Stat., to be observed by CSO board members, officers, and employees.

1. Prohibition of Solicitation or Acceptance of Gifts

No CSO board member, officer, or employee shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the CSO board member, officer, or employee would be influenced thereby.

2. Prohibition of Accepting Compensation Given to Influence a Vote

No CSO board member, officer, or employee shall accept any compensation, payment, or thing of value when the person knows, or, with reasonable care, should know that it was given to influence a vote or other action in which the CSO board member, officer, or employee was expected to participate in his or her official capacity.

3. Salary and Expenses

No CSO board member or officer shall be prohibited from voting on a matter affecting his or her salary, expenses, or other compensation as a CSO board member or officer, as provided by law.

4. Prohibition of Misuse of Position

A CSO board member, officer, or employee shall not corruptly use or attempt to use one's official position or any property or resource which may be within one's trust, or perform official duties, to secure a special privilege, benefit, or exemption.

5. Prohibition of Misuse of Privileged Information

No CSO board member, officer, or employee shall disclose or use information not available to members of the general public and gained by reason of one's official position for one's own personal gain or benefit or for the personal gain or benefit of any other person or business entity.

6. Post-Office/Employment Restrictions

A person who has been elected to any CSO board or office or who is employed by a CSO may not personally represent another person or entity for compensation before the governing body of the CSO of which he or she was a board member, officer, or employee for a period of two years after he or she vacates that office or employment position.

7. Prohibition of Employees Holding Office

No person may be, at one time, both a CSO employee and a CSO board member at the same time.

8. Requirements to Abstain From Voting

A CSO board member or officer shall not vote in official capacity upon any measure which would affect his or her special private gain or loss, or which he or she knows would affect the special gain or any principal by whom the board member or officer is retained. When abstaining, the CSO board member or officer, prior to the vote being taken, shall make every reasonable effort to disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. If it is not possible for the CSO board member or officer to file a memorandum before the vote, the memorandum must be filed with the person responsible for recording the minutes of the meeting no later than 15 days after the vote.

9. Failure to Observe CSO Code of Ethics

Failure of a CSO board member, officer, or employee to observe the Code of Ethics may result in the removal of that person from their position. Further, failure of the CSO to observe the Code of Ethics may result in the Florida Department of Environmental Protection terminating its Agreement with the CSO.
