*Department of Physics (Geosciences)*

*Department of Political Science*

*Department of Sociology*

**Rosen College of Hospitality Management:**

*Department of Tourism, Events &  
Attractions (ecotourism economics)*

# UCF Coastal

**Our philosophy** is that in coastal communities, economic, human, and ecological health cannot be separated.

**UCF Coastal** aims to address societal needs by integrating science, environmental and hazard mitigation planning, effective stewardship, and policy development.

**Our goal: be the nation's preeminent interdisciplinary coastal research program**

# PhD: Coastal Challenges of the 21<sup>st</sup> Century

Coastal pathogens

Sea Level Rise

Cyclones

Harmful Algae Blooms
