YOUR MISSION AND LAST CALENDAR YEAR'S PROGRAM ACCOMPLISHMENTS:

CSO's Mission: (Consistent with your Articles and Bylaws)

The St. George Lighthouse Association preserves the Cape St. George Light and its Keepers House Museum and educates the public about the history and importance of the lighthouse. The Cape St. George Light and the Keepers House Museum and its Board of Directors and employees strive to make it a highly regarded and frequently visited lighthouse and, in so doing, provide a rewarding learning experience for visitors. The Lighthouse Association also strives to be a community partner by participating in and hosting community events.

Describe Last Calendar Year's Results Obtained: Brag! (List or discuss the past calendar year's accomplishments and contributions. Cite specific support from last calendar year's Annual Program Plan.)

In 2022, climbers at the Cape St. George Light totaled 25,608 with thousands more who visited the Museum but did not climb the Lighthouse. This was our highest ever total for lighthouse climbers in a calendar year.

As always, three Lighthouse Keepers recount the history of the Lighthouse to visitors, as do staff in the Lighthouse Gift Shop and docents in the Museum. The Museum includes displays illustrating the history of the Lighthouse, its tragic collapse in 2005, and the community effort to reconstruct it.

Each month, on the night of the full moon, the CSO hosts a sunset/full moon lighthouse climb, weather permitting. These monthly climbs have become very popular. In 2022 we experienced several weather complications which hampered the afterhours climbs, causing five of them to be cancelled. Those that were able to be hosted were well attended.

In February 2022 we hosted our 10th and final St. George Island Tour of Homes fundraiser. The event netted just over \$13k. After discussions with staff, the CSO board, and volunteers, we decided to make the 10th event the final one for the Tour. We felt this event had run its course and we wanted something new.

In May of 2022 the CSO hosted the inaugural SGI Shrimp fest, which is now the primary fundraising event for the St. George Lighthouse Association, replacing the Tour of Homes. The first year was well attended with over 1000 guests and the event netted over \$9k for the CSO. The 2nd annual event was held in May 2023 and netted nearly \$20k for the CSO. Planning is already underway for the 2024 event.

In addition to individual visitors to St. George Island, the Lighthouse and Museum hosted many groups of students from local schools in the past year. We are currently fleshing out our Junior Lighthouse Keeper Program and hope to launch the program this summer. In coordination with our ORCP manager, we've developed several activities that interpret the life of lighthouse keepers and also explain the history and importance of the lighthouse. We tested the activities last year with a group of summer campers.

In October of 2022 we hosted our 3rd annual Lighthouse Spooktacular community trick-or-treat that was again very well received by local and surrounding community members. It was a free family-friendly event that offered guests a fun outdoor evening. Thirty-nine local businesses and residents signed up to pass out candy and we were able to serve around 350 children and their families.

In November, we hosted our annual Veterans Day ceremony paying homage to those who have served. We worked with local veterans' groups to coordinate the event and secure a guest speaker. We also worked with our local school's JROTC to provide color guard services for the event and the local boy scout troop assisted with ushering and distributing programs. We secured a sponsorship from a local business that provided free lunch to all those in attendance.

In coordination with our local business association the CSO hosted the annual Lighting of the Palms holiday event the first Friday in December. This is an annual event that welcomes hundreds of local children and their families to Lighthouse Park. Each child visits Santa and receives a gift. Cookies and hot chocolate are donated from local businesses and Lighthouse Park is decorated for the holiday season. This event is free to all.

Describe the CSO's Plans for the Next Three Calendar Years:

We've developed a strategic plan which lays out our goals for the upcoming three years to include four areas of focus: Development, Financial, Education, and Standards & Best Practices. Under each of these areas we've defined specific goals to help fulfill our mission and further professionalize our organization.

Under "Development" we are working to expand long-range and large amount fundraising through both grants and individual donors as well as advance our community stakeholder relationships.

Under "Financial" we are working to create a robust and diversified financial plan which includes long term maintenance reserve funding, maximizing revenue in our gift shop, and expanding our fundraising through the new SGI Shrimpfest fundraiser as well as increased membership income. 2023 marks the 15th anniversary of the reconstruction of our lighthouse and we're planning a large celebration in December to commemorate this monumental anniversary.

Under “Education” our goal in 2023 is to make this a key focus and to increase our community education partnerships. We have a person on staff who will be our Educational Director who will oversee our educational programs and lead the charge in our outreach. We have already worked with the local schools to arrange field trips and age-appropriate lighthouse related activities. We hope to launch our Junior Lighthouse Keeper Program this summer.

Under “Standards & Best Practices” our goals are to further professionalize our organization by completing and updating a core set of documents to include an employee handbook, disaster preparedness plan, policies and procedures manual, and a collections plan. Additionally, we are looking to apply technological trends that will advance accessibility to all audiences.

Manager’s Comments on the CSO & ORCP Relationship and Support:

The St. George Island Lighthouse Association provides a very important service to the Apalachicola NERR and the FL DEP by maintaining the Cape St. George Island Light. Lighthouses are a valuable asset to the State of Florida, as they are an important part of our maritime history and culture, however maintenance and upkeep can be expensive. The SGI Lighthouse Association fundraises and applies for grant funding to maintain the lighthouse for 1000s of visitors every year. Not only are visitors able to climb to the top of the light, but they are also introduced to the rich history of the lighthouse at the onsite museum. The Reserve would not be able to provide the level of access and quality interpretation that the staff and volunteers of the Association provide.

During the last year the Reserve manager has attended more SGLA board meetings and intends to attend as many as possible. This has been incredibly valuable to share information between the two organizations and strategize about funding opportunities and other ways that we can continue to collaborate. Since the lighthouse is a DEP facility, it qualifies for state fixed capital outlay funding. The Reserve is working with the SGLA to engage the services of an engineer to conduct an assessment of the structure. This has not been completed since the reconstruction and will serve as a good reference point for future maintenance and restoration efforts. The Reserve will also continue to look for funding opportunities to support the Junior Keeper program as it develops. We are excited to keep looking for ways that our missions align and ways to improve the services that we can provide to our local residents and visitors.

CSO President’s Comments on the CSO & ORCP Relationship and Support:

Provide your perspective on the relationship between the ORCP and CSO. What went well? Are there areas of improvement?

The CSO operates efficiently and effectively in managing the facility. Little oversight is required, but ORCP managers are always available to answer questions and provide guidance as needed. CSO board members meet 4-5 times per year to discuss the status of the organization and to ensure the organization is on track to meet annual goals and expectations. The ORCP manager also regularly attends these meetings to offer advice and feedback and has been involved in helping the CSO obtain funding for a structural assessment of the lighthouse so that we can better define our long-range maintenance plan and the funds needed to continue to keep the lighthouse in good condition. The relationship with our ORCP manager improved in 2022 and continues to improve in 2023.
