

The St. Johns River-to-Sea Loop

The St. Johns River-to-Sea Loop is a 260-mile paved multi-use trail project underway in northeast Florida. It runs through five Florida counties, includes the entire [Palatka-to-St. Augustine State Trail](#), and is part of the 3,000-mile [East Coast Greenway](#). It also overlaps with the [Florida Coast-to-Coast Trail](#) and other long-distance trail corridors.

The Loop, as well as the [Florida Coast-to-Coast Trail](#), are currently the top two priority long-distance regional trails receiving funding through the [Shared-Use Nonmotorized \(SUN\) Trail Program](#) administered by the Florida Department of Transportation. Local governments are also providing funding for some sections along the route.

The non-profit [St. Johns River-to-Sea Loop Alliance](#) is the primary organization that advocates for the Loop. The Alliance website features maps, updates and articles about the Loop and it organizes trail summits, celebrations and other events.

The [St. Johns River-to-Sea Loop Strategic Plan](#), completed in May of 2018, outlines the vision for completing, managing, marketing and promoting the Loop.

In addition to the Alliance, the following counties feature information about trail segments within their jurisdiction:

- [St. Johns County Recreation Maps](#)
- [Putnam County Trails](#)
- [Flagler County Biking and Hiking Trails](#)
- [Volusia County Trails](#)
- [Brevard County/Space Coast TPO Trails](#)

Contact information can be accessed through each website.
