Dear Larry,

The CSO became the "The Friends of Tomoka Basin State Parks". The change allowed for supporting all 5 Tomoka Basin State Parks.

The achievements and contributions for this year are the following;

- Promoted the parks at 15 special events during the year. The events were, First Day Hike, Day in Old Florida, Artist Paint In, Art in the Park, HistoryCon, St. Augustine Archaeological Association Lecture on Tomoka Mounds, Old Florida Plantation Tour, Native American Festival, Ride for the Wild Side, University Women of Flagler Beach Book Club, Earth Day, National Public Lands Day, The Plantation Candlelight Tour, Tomoka Marathon and the Bulow Woods Trail Race. These events gave park exposure to over 4000 participants in these events.
- The CSO advertised and recruited volunteers for 2 trail day maintenance events, Boy Scout Troup 400 and Embry Riddle Aeronautical University each participated in a trail day. The combined efforts were 43 people contributed 222.5 hours to maintain park trails.
- CSO President James Fiske recruited 3 Eagle Scout Projects which included a bench and kiosk at the Bulow Plantation Ruins slave cabin site, a bench, trash receptacle and interpretive plaque on the Tomoka multi-use trail and an interpretive Indigo vat at Bulow Plantation Ruins. These 3 projects represented a total of 450 volunteer hours.

- The total volunteer hours of 29 members of the Friends of Tomoka Basin State Parks CSO was 1418.42 hours. The CSO in 5 projects recruited an additional 672.5 hours for a total of 2090.92 volunteer hours directly attributed to the CSO. This is the equivalent of 1 FTE position.
- The CSO began researching and working with University of Florida Anthropologist Dr. James Davidson to create interpretive information to tell the slave story for the Bulow Plantation Ruins Historic State Park. A narrative was created and approved by the Department for the slave cabin site kiosk panel.
- The Friends of Tomoka Basin State Parks continues to have a social media presence. Since starting a new Facebook site reflecting the name change, 452 people follow the site with 459 likes. The Facebook site is completely dedicated to promoting events, recreation and nature at the 5 Tomoka Basin parks.

During this year, Tomoka State Park set a revenue record which required FTE staff to remain focused on cleaning facilities and handling a full campground, The Friends of Tomoka Basin State Parks continued to promote park awareness for increased visitation, help maintain park trails while interpreting the historic significance of these parks.

The contribution of the Friends of Tomoka Basin State Parks to the Tomoka Basin State Parks operations and goals achievement for public service is more than can be expressed.

Sincerely

Philip Rand

President's Letter – Calendar Year 2016

I wish I could say that 2016 was a banner year, but many issues arose that we had to contend with. It has certainly been a roller coaster ride, but at the end, there was daylight and things began to pick up. Even with the issues, I feel that we have accomplished more than I expected, as evidenced by the list of Accomplishments included in the report. and 2017 is currently shining bright and getting brighter.

Our Park Services Specialist, Aggie Armstrong, has worked tirelessly making revisions on a Power Point program throughout 2016 to help with gaining membership when presentations are made to Homeowner's Association's and various Civic groups. Unfortunately, other revisions had to be made towards the end of the year, so it is now available and presentations to take place hopefully, within a month.

Membership, throughout 2016 remained stagnant. Efforts were put into place to help that along, but to no avail. We continue working very hard to find a solution.

We had extreme challenges in October when Hurricane Matthew left a horrid path of destruction along the east coast of the United States. Had it been a direct hit, there is no telling how many trillions of dollars' worth of damage would have occurred. I am so very proud of the Florida State Park system with the immediate action that took place in our Parks and other Parks located nearby. Our Park Staff leapt into action and had our Parks open in record time. Our CSO helped clean the Bulow Plantation Ruins debris and had a chain saw crew that helped cut up many of the downed trees. I am very, very, proud of our volunteer efforts that assisted.

Our primary goal since day one, has been to incorporate our local schools and colleges into programs that will benefit the students and we are making headway in that endeavor.

Unfortunately, the TDC (Tourist Development Council) in Flagler County has greatly changed the way they assist organizations and we have not been able to put anything together that would help up obtain funding from them.

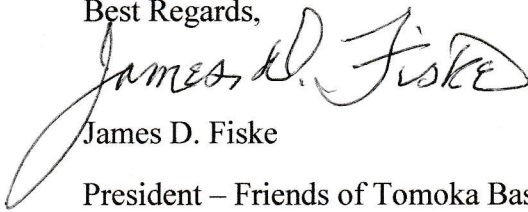

Our best event in 2015 was the Candlelight Tour during Halloween. 2016 had way too much competition and didn't fare well. The events that have really paid off, are the Tomoka Marathon, Bulow Woods Trail Run, both sponsored by Runner's High Timing and Race Management and the Old Plantation Tour sponsored by the Ormond Beach Historical Society. Their donations have helped tremendously and we look forward to helping more and more, with each event.

We are committed to our local Scouting organizations to assist with their service project needs and in turn taking care of some of the needs of our Parks. I am very proud of what the Scouts have accomplished this year and am looking forward to even more in 2017.

As stated in the President's Letter back in 2014, I am confident that the CSO will grow as we continue to reach out to various communities for members, volunteers and a concentrated effort to obtain Board Members that can and will do effective fundraising; as many exciting projects are appearing on the horizon.

With that being said, 2017 will be phenomenal!

Best Regards,
