Florida's Diesel Emissions Mitigation Program

Public Meeting Agenda

The Florida Department of Environmental Protection (Department) Division of Air Resource Management (Division) is holding a series of public informational meetings and webinars during the months of March and April 2018. These events coincide with the availability of an online public survey and invitation to submit written comments on Florida's use of funds available to the state through the Volkswagen Diesel Emissions Environmental Mitigation Trust. The Department will be collecting survey data and accepting comments through May 11, 2018. The Department will use the survey results and comments in developing Florida's State Beneficiary Mitigation Plan. At this time, the Department is not soliciting or accepting funding requests or proposals for specific diesel emission reduction projects.

Agenda

1. Introduction and Meeting Overview 10 Minutes
2. Presentation: Planning for Florida's Diesel Emissions Mitigation Program . 45 Minutes
3. Questions & Answers 20 Minutes
4. Closing of Formal Presentation 5 Minutes
5. Open Session for Meeting with Division Staff 40 Minutes
