

WATER WATCH

DEP Central District Water Newsletter, Issue 2

March 2019

Compliance Corner

2019 is the triennial sampling year for Non-Transient Non-Community Water Systems. Conduct sampling early in the year to allow time for repeat sampling if necessary.

Lead and Copper Tap samples must be collected from sites on the approved plan. If you have questions about sampling, or need to update your sampling plan, contact the Department.

Disinfection By-Product Samples must be collected during the month on your approved sampling plan. If you are unsure of when you should sample, or have any questions regarding sampling, contact the Department.

Upcoming Training

The Central District will be hosting a workshop for transient non-community

Monitoring Schedules

Community and Non-Transient Non-Community Monitoring Schedules for 2019 have been posted on our [Central District Website](#). Please review your schedule, and if you have any questions, contact CD staff.

Consumer Confidence Reports

CCR data tables have been posted on the [Central District Website](#). The Central District will be hosting four CCR workshops to assist systems in completing their CCRs. If you'd like to attend a workshop, [sign up here](#). Bring a digital copy of your 2017 CCR on a USB flash drive.

Drip and Drab

Drip plans ahead and samples early so he has time to re-sample if there are any issues at the lab. Drab samples late and does not have time to re-sample. Drip's systems are in compliance. Drab's systems get violations for late reporting.

DEP Portal

Did you know that MORs and Incident/Malfunction reports can be submitted through the [DEP Business Portal](#) online?

Review the step-by-step instructions for submitting MORs on the [Central District Website](#). Review the step-by-step instructions for submitting incident reports on the [Central District Website](#).

City of Clermont

Congratulations to the City of Clermont East Water System for winning their 7th consecutive Plant Excellence Award for outstanding management, operation, and service to their customers.

[Applications](#) for the Plant Operations Excellence Awards are due by October 10th, annually.

Do you know of a PWS Star that we should mention?

systems May 1, 2019
from 9:30 - 11:00 a.m.
at 3319 Maguire Blvd.,
Orlando, FL 32803. If
you are interested in
attending, [sign up
here](#).
