

CHRIS DUCLOS

**Principal Investigator,
Environmental Public Health
Tracking**

Chris DuClos is the Principal Investigator for Environmental Public Health Tracking (EPHT) at the Florida Department of Health. Chris has worked in environmental health and epidemiology programs throughout his career. He has over 27 years of experience working on public health issues by using Geographic Information Systems (GIS) for analysis, visualization, and reporting. Chris has also served as an Adjunct Instructor in the Florida State University Department of Geography.

DIANE NEIDHART

**Outreach & Communications
Specialist, Environmental
Public Health Tracking**

Diane Neidhart has been with the Florida Department of Health in her role as the Outreach and Communications Specialist for the Environmental Public Health Tracking Program since October 2020. Prior to working with Florida Tracking, Diane has worked in Public Health in both the private and public sectors.

Diane holds a Master's in Public Health from the University of South Florida. Wherever she has lived or traveled, she finds outdoor spaces and trails to explore. Diane enjoys hiking, biking, and volunteering at local parks and with local animal rescue organizations.
